Gradjani/ke mogu u potpunosti da se informisu o aktivnostima odeljenja Opstine

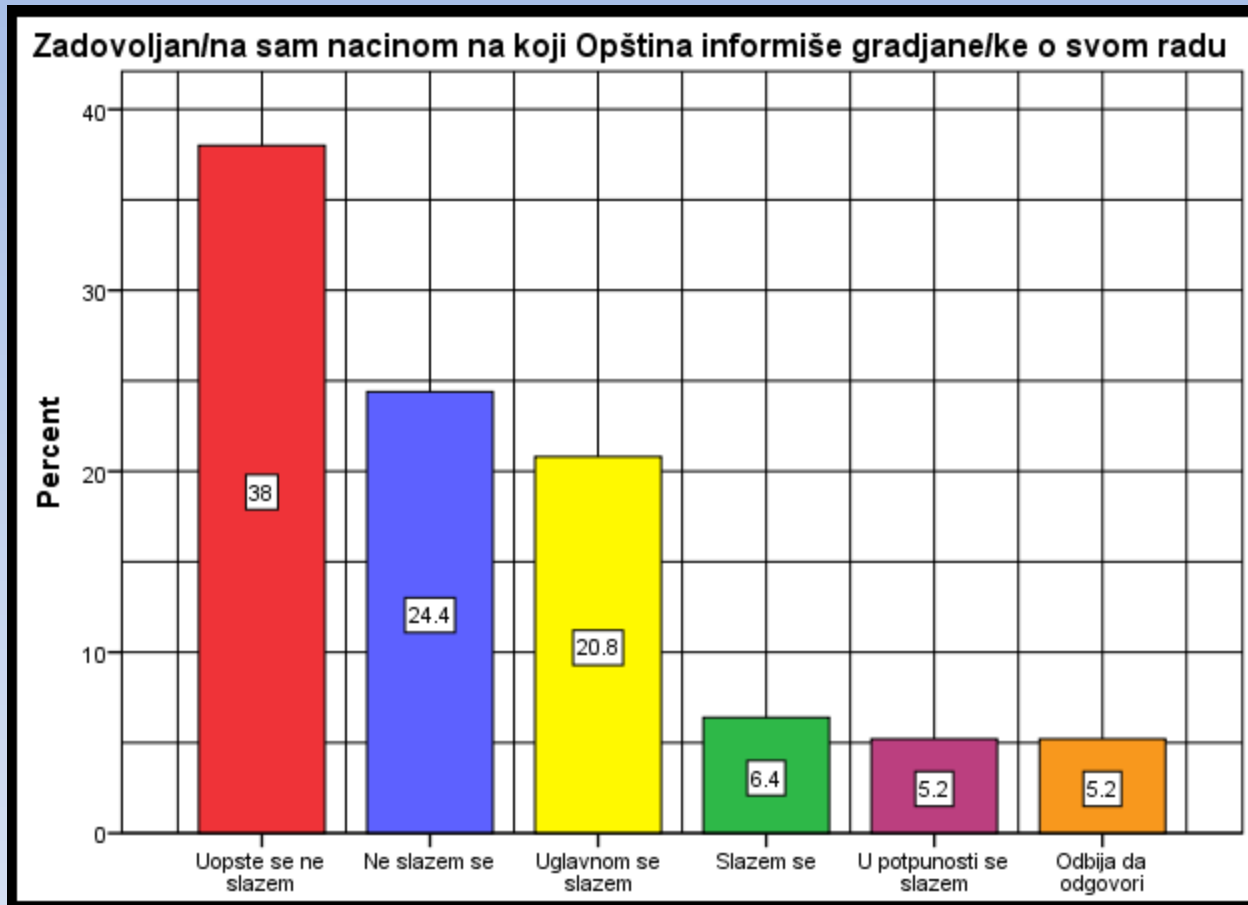

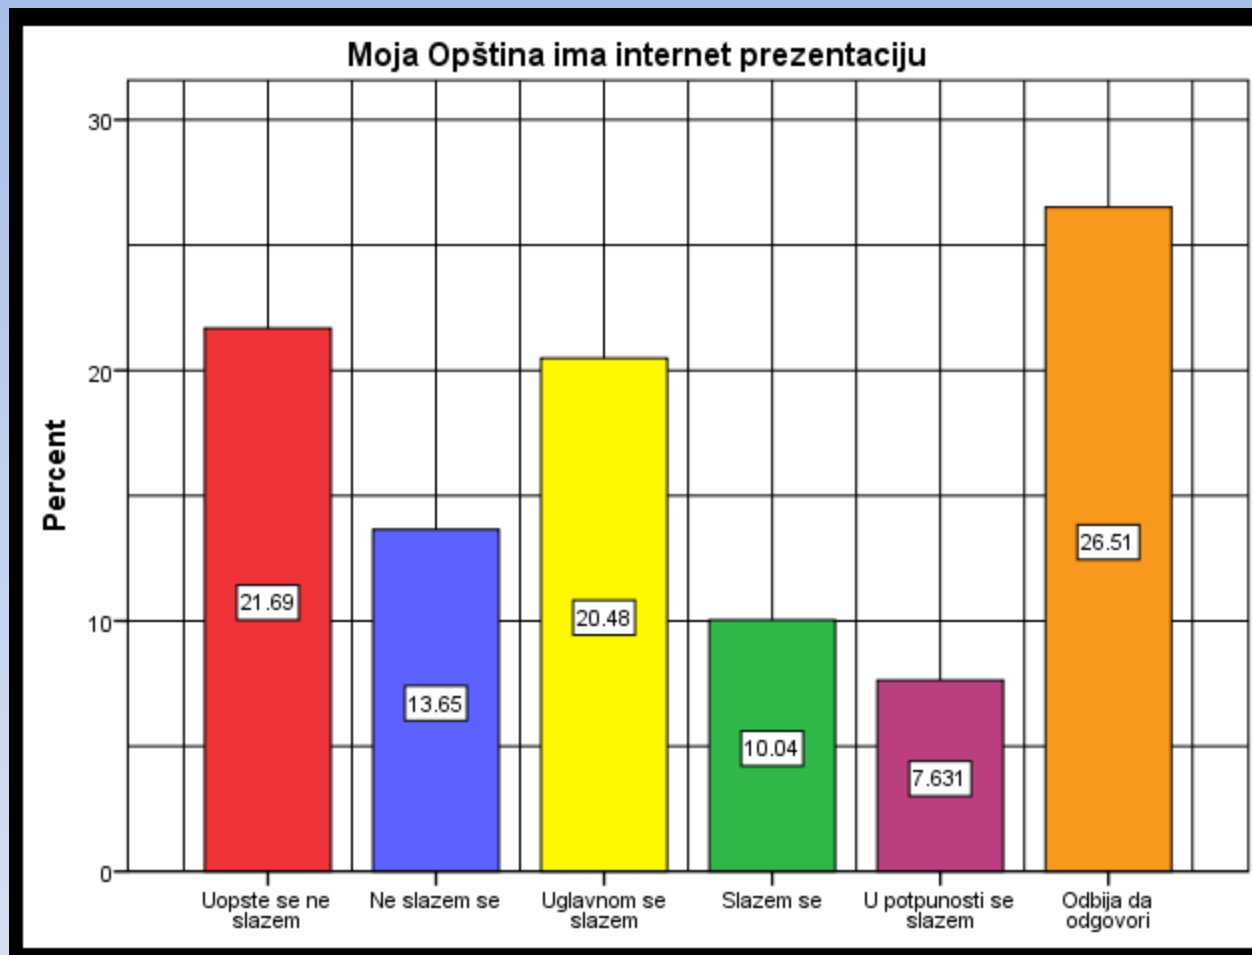

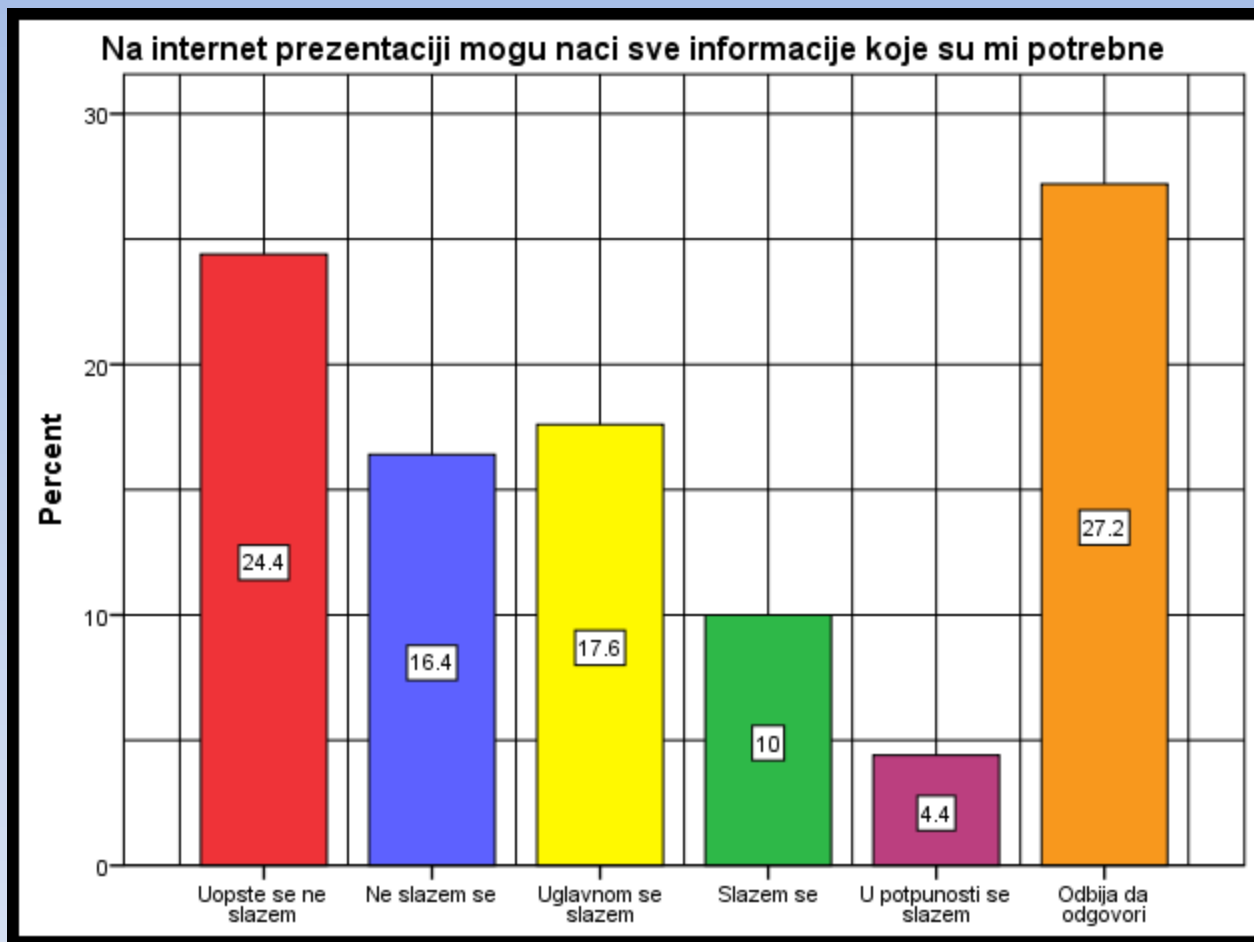

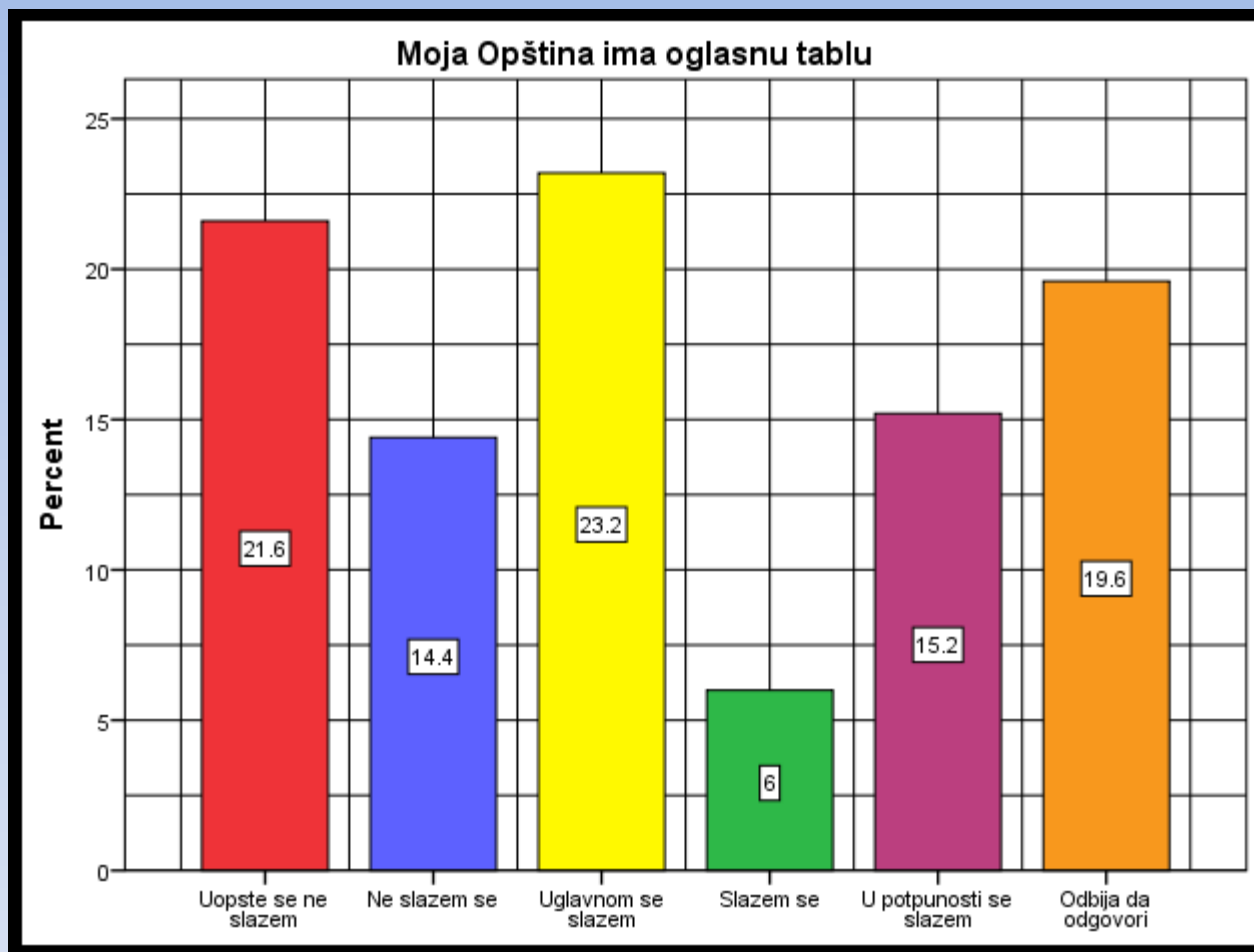

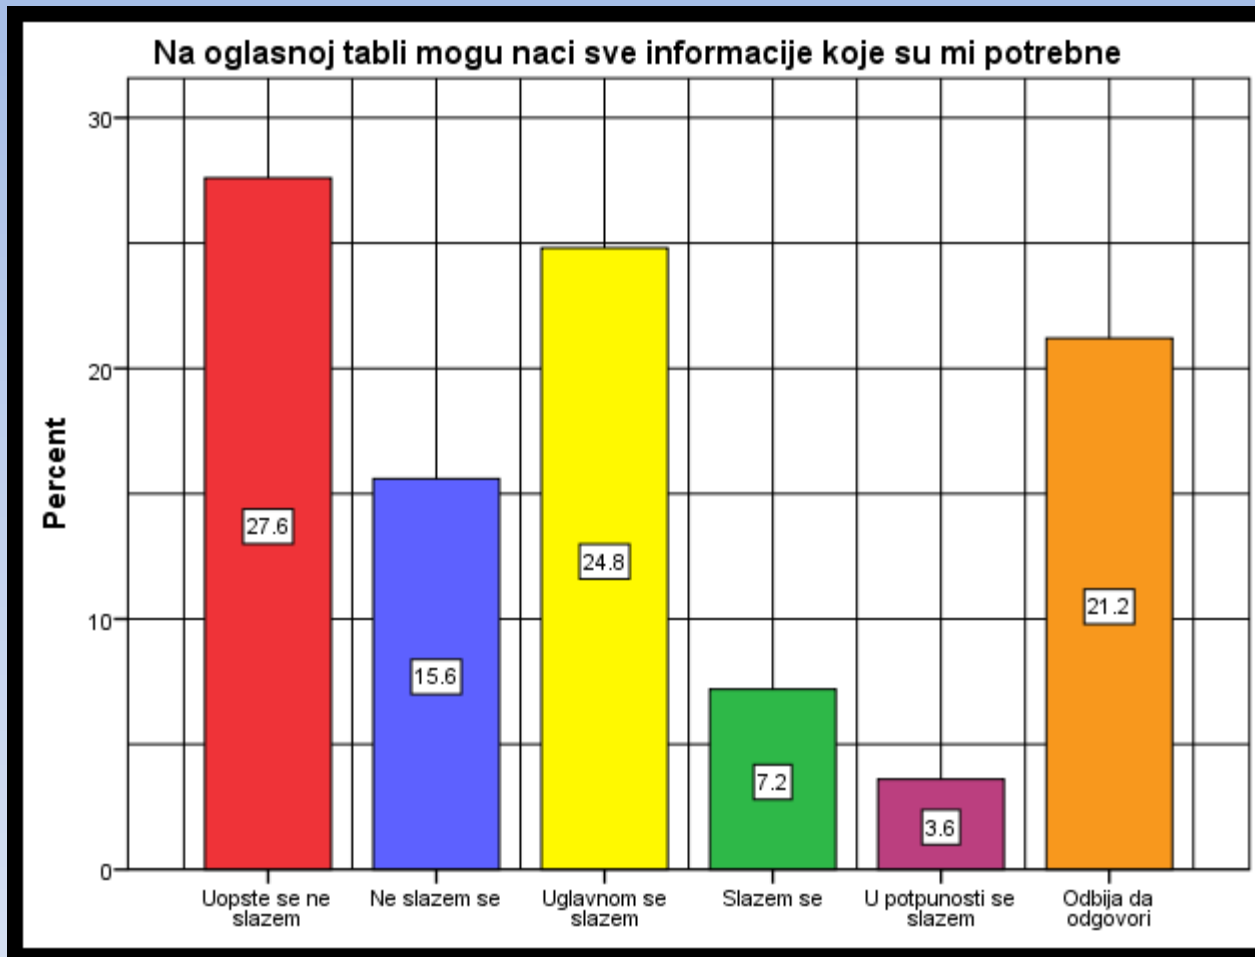

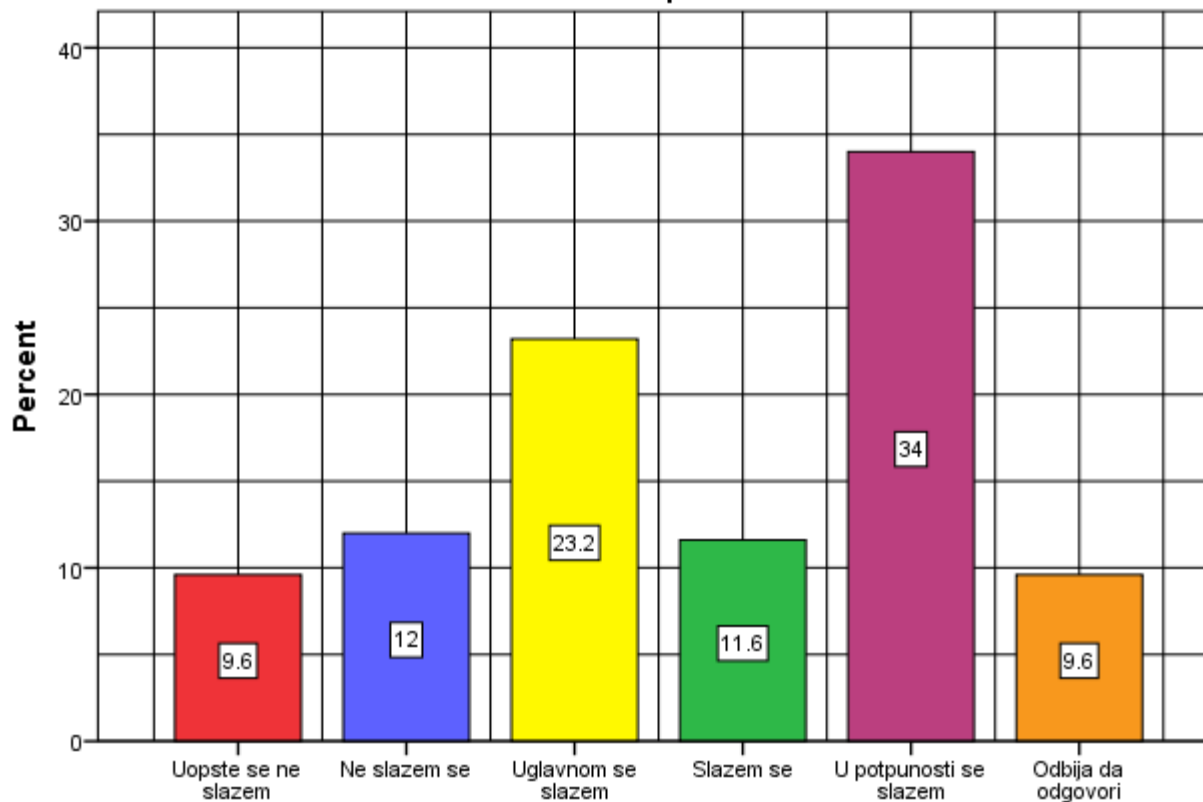

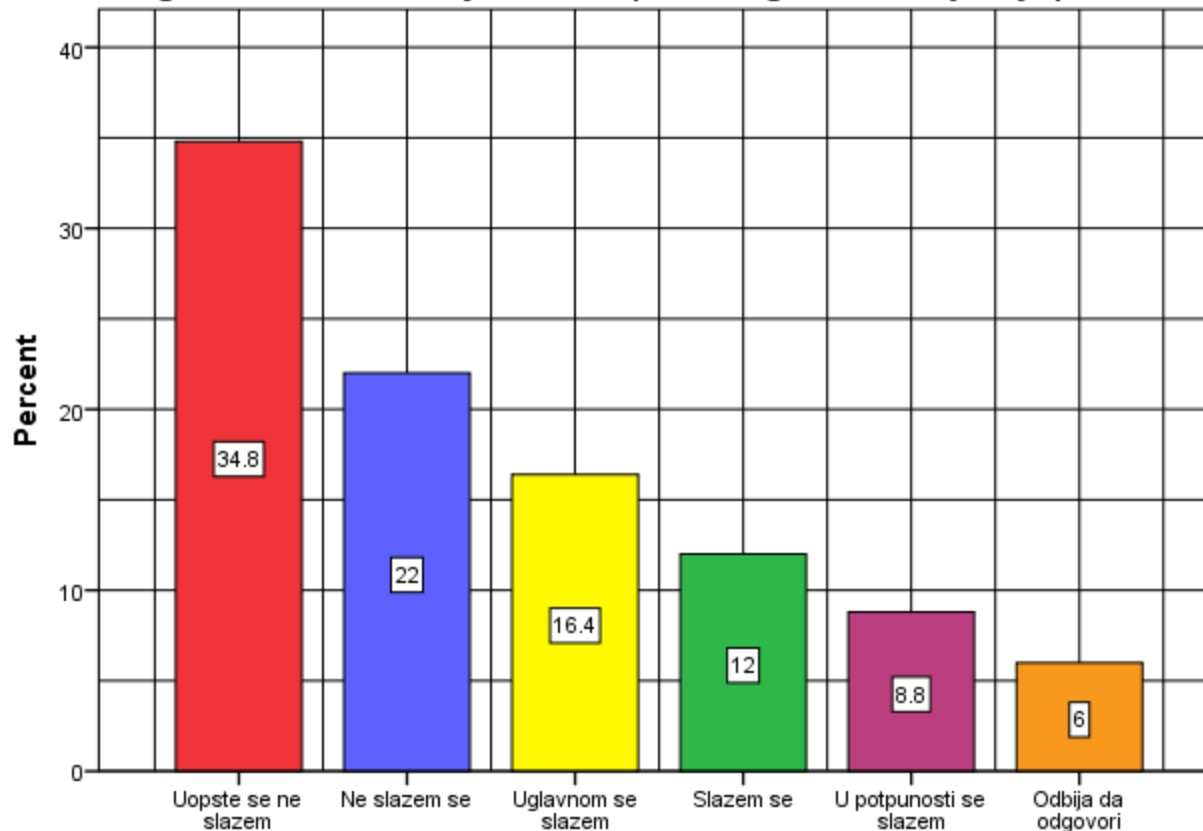

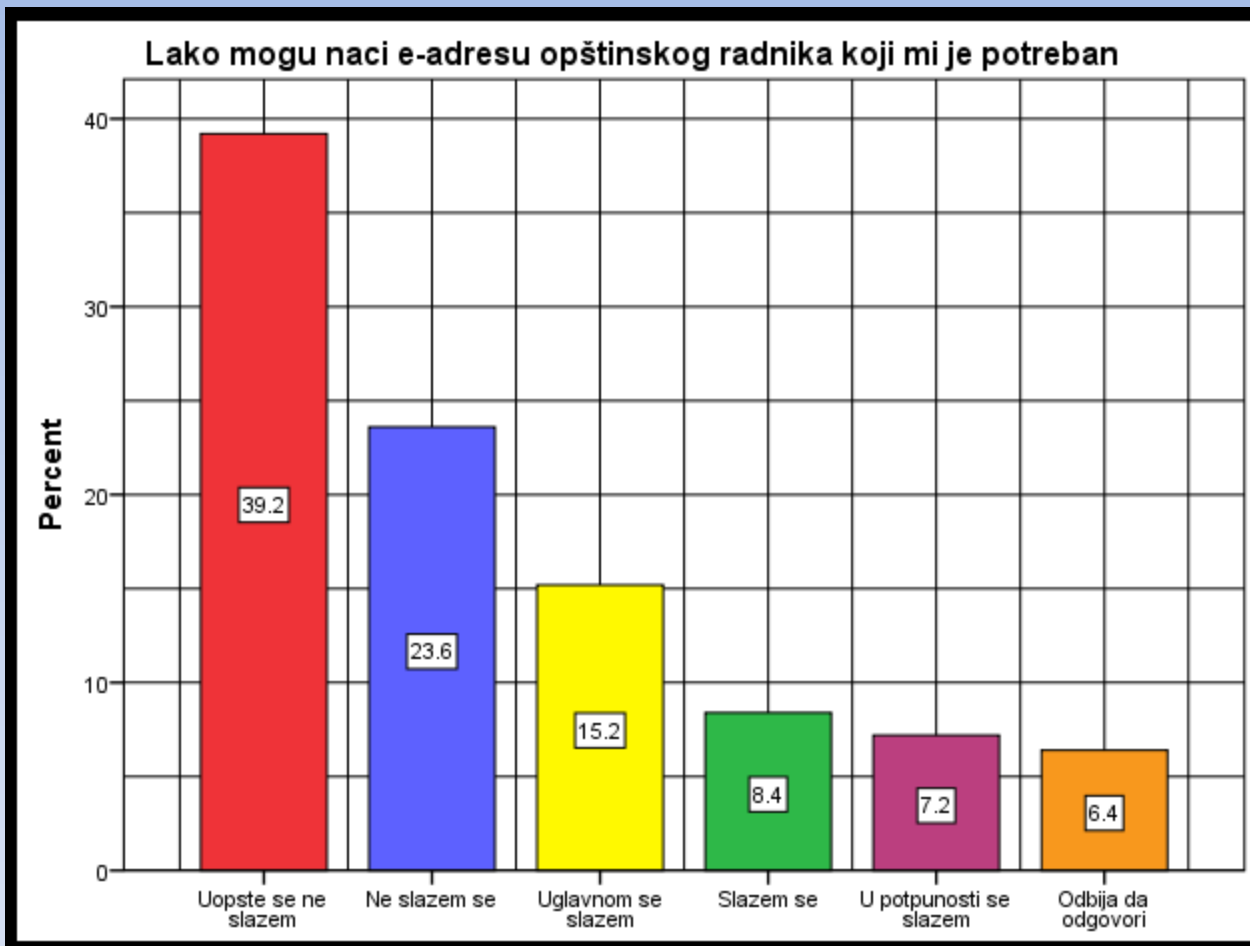

Nisam siguran/na kome da se obratim da bih završio/la posao koji je u nadležnosti Opštine

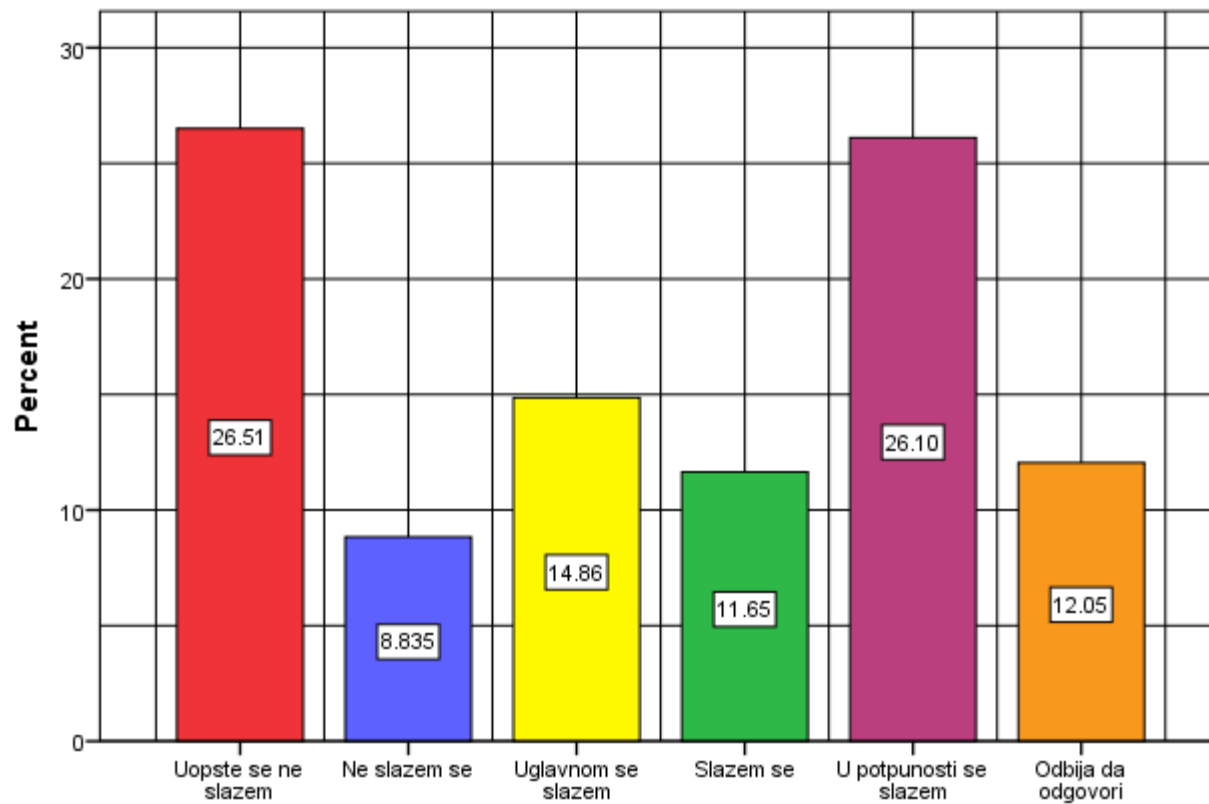

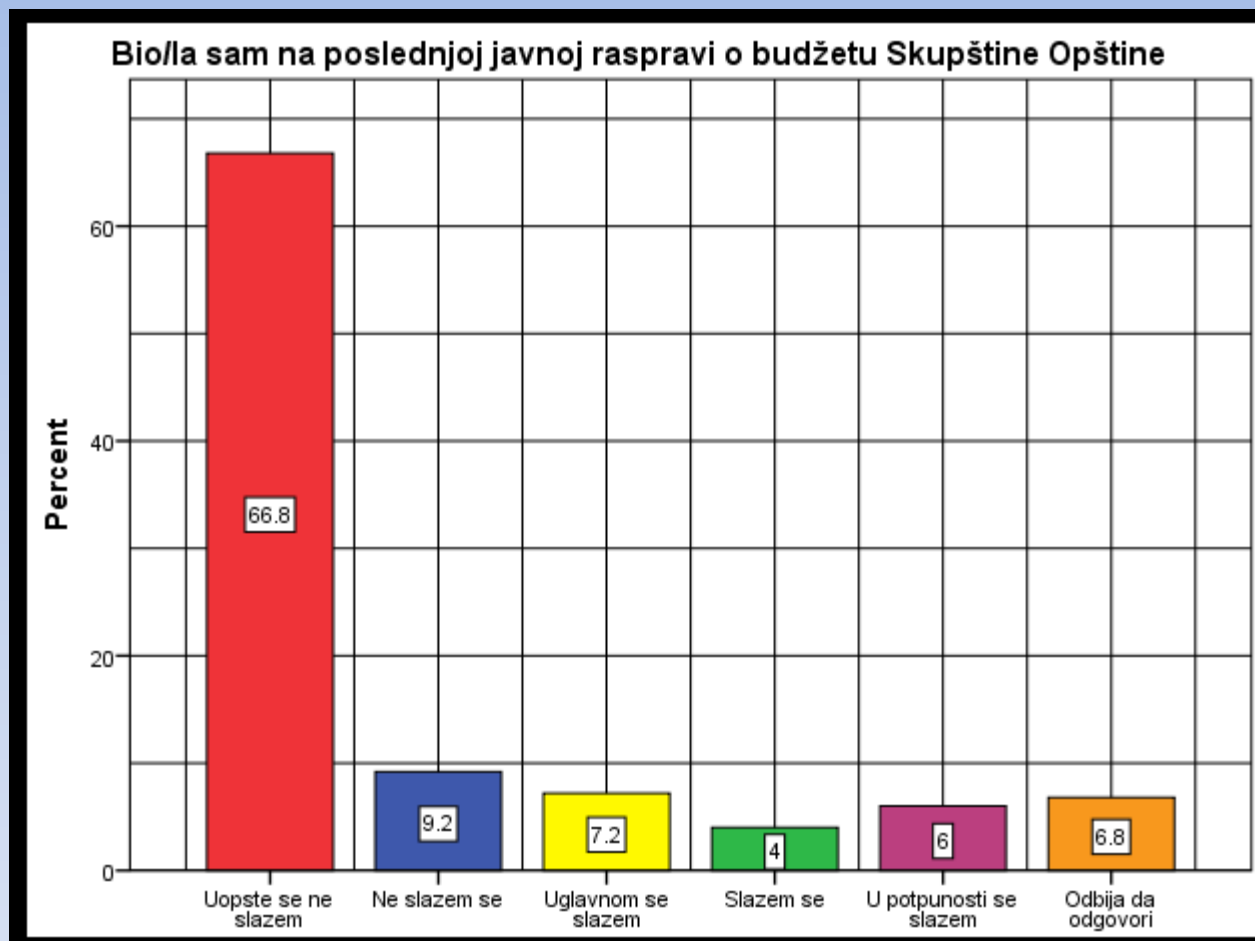

Lako mogu naci službeni broj telefona opštinskog radnika koji mi je potreban

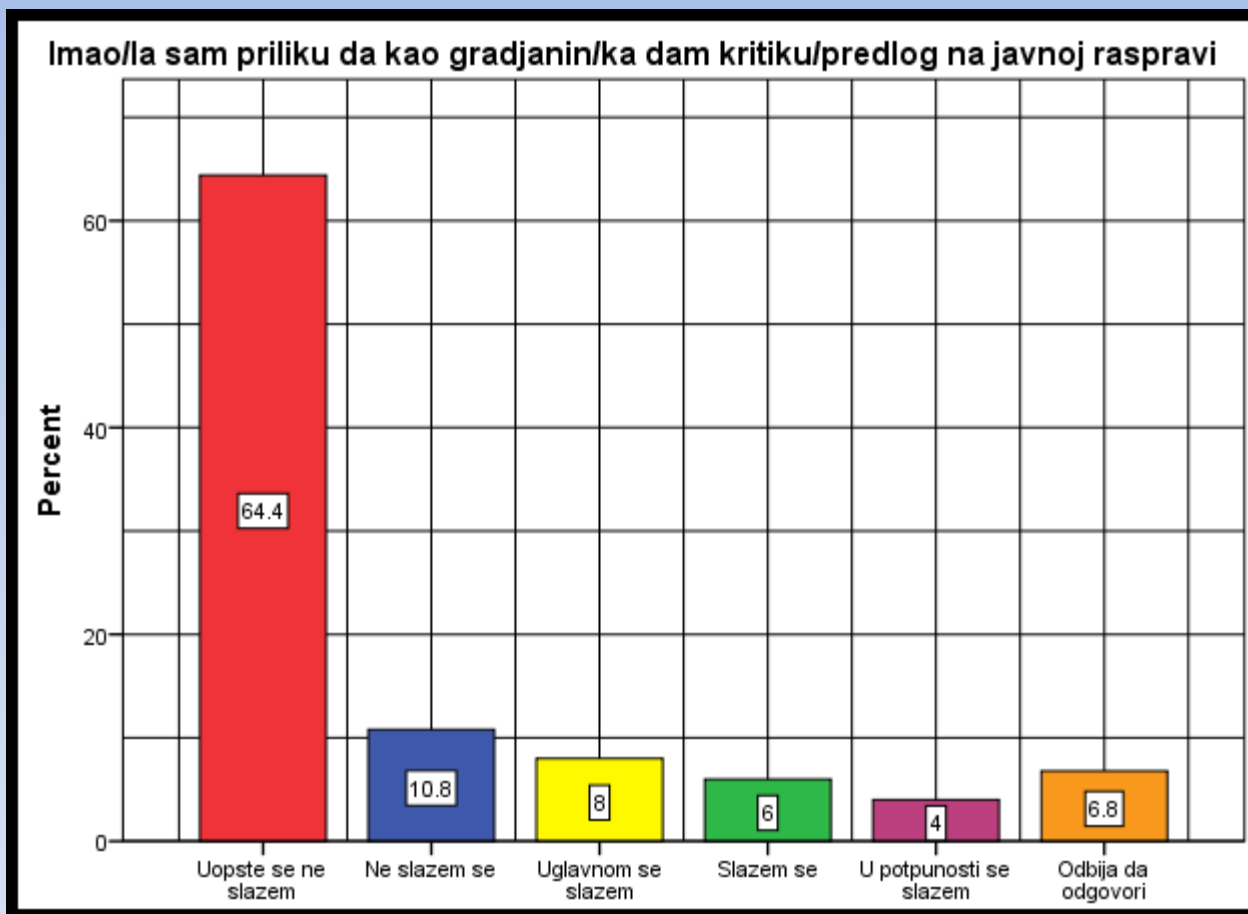

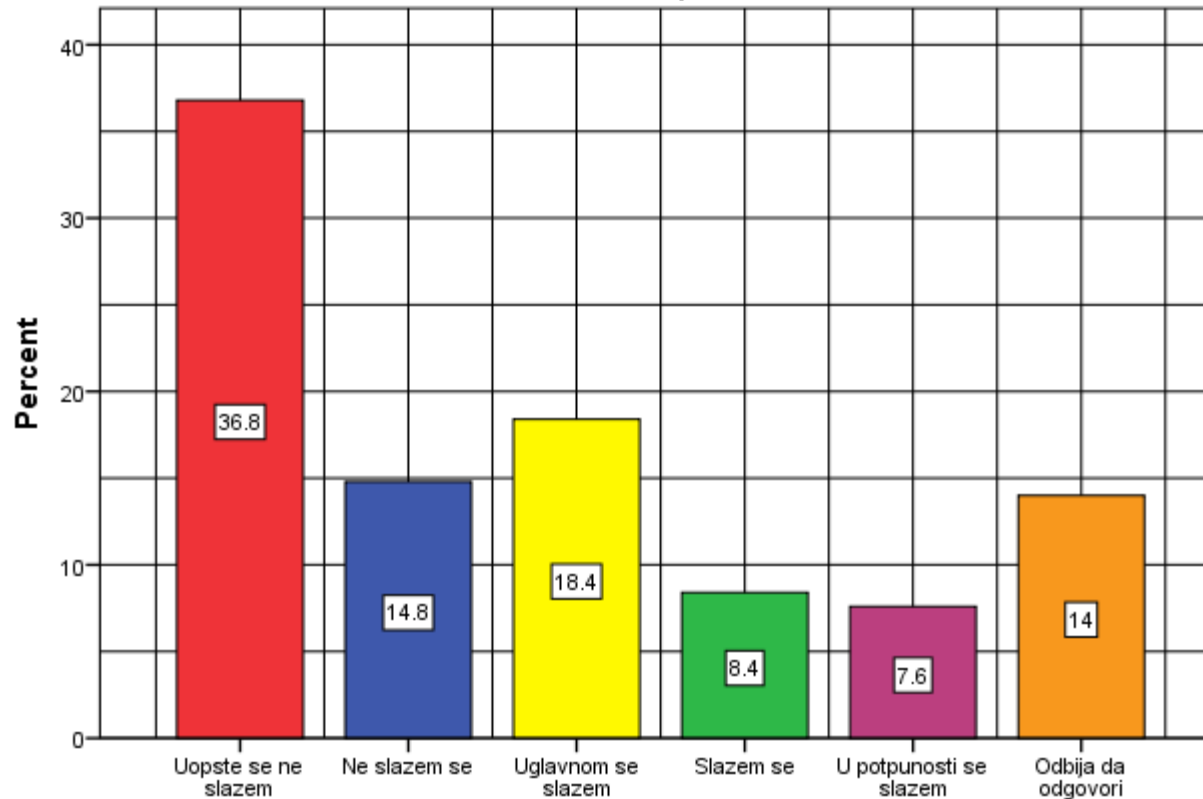

Voleo/la bih da se javne rasprave i sednice Skupštine Opštine prenose uživo na tv-u

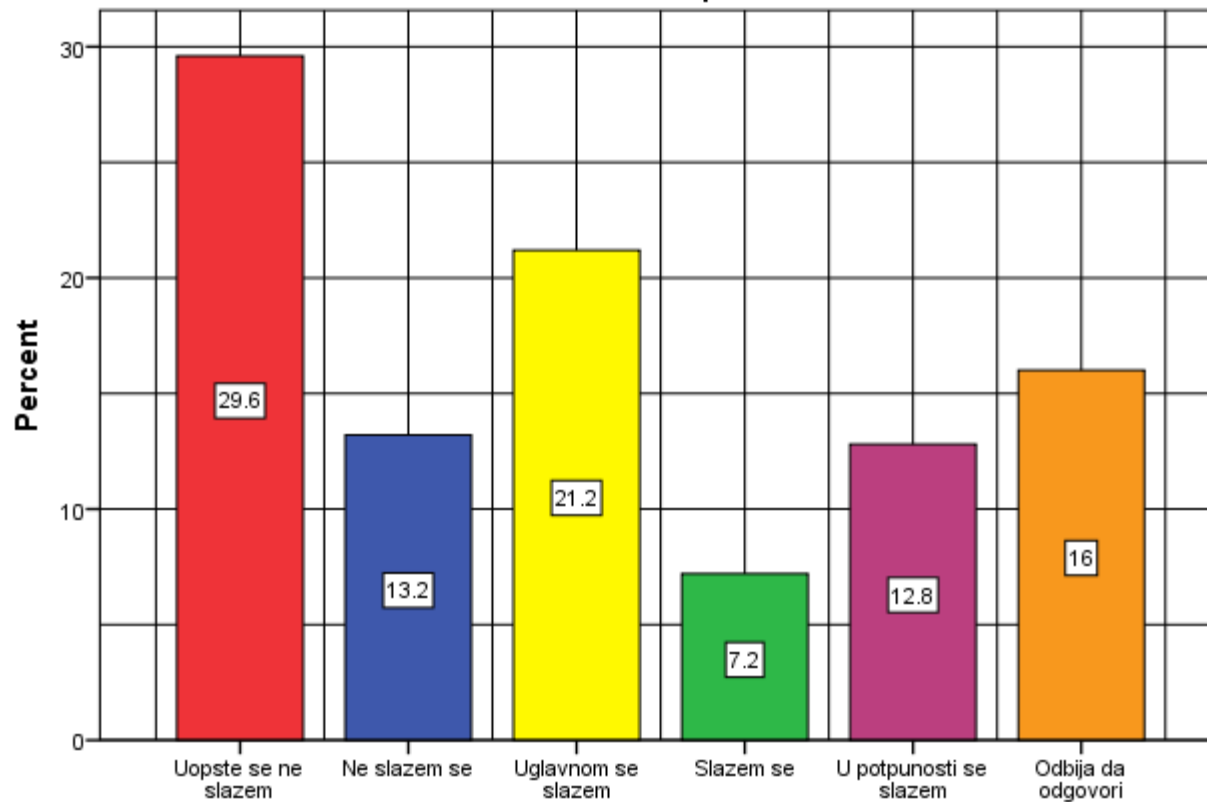

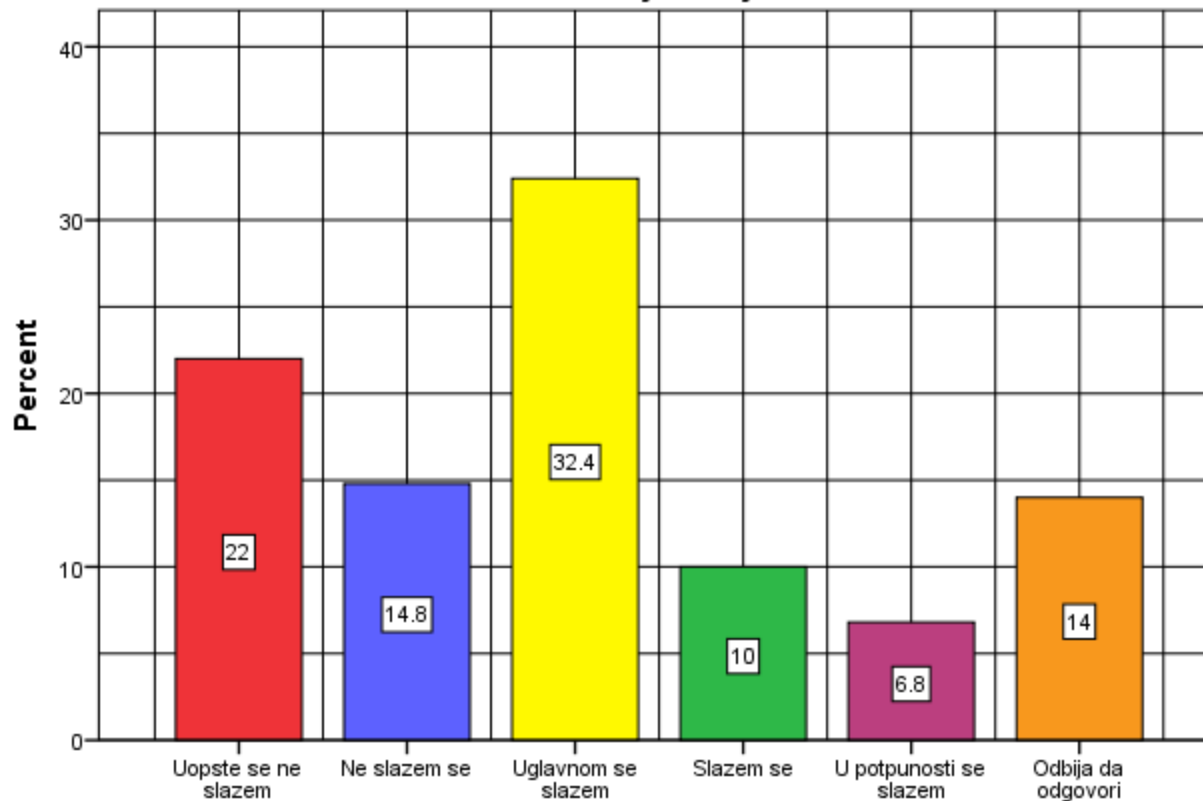

Znam primer gradjana koji su trazili i dobili informacije od javnog znacaja od lokalne samouprave

Informacije od javnog znacaja su dostupne svim nasim gradjanima, ali one se retko interesuju za njih

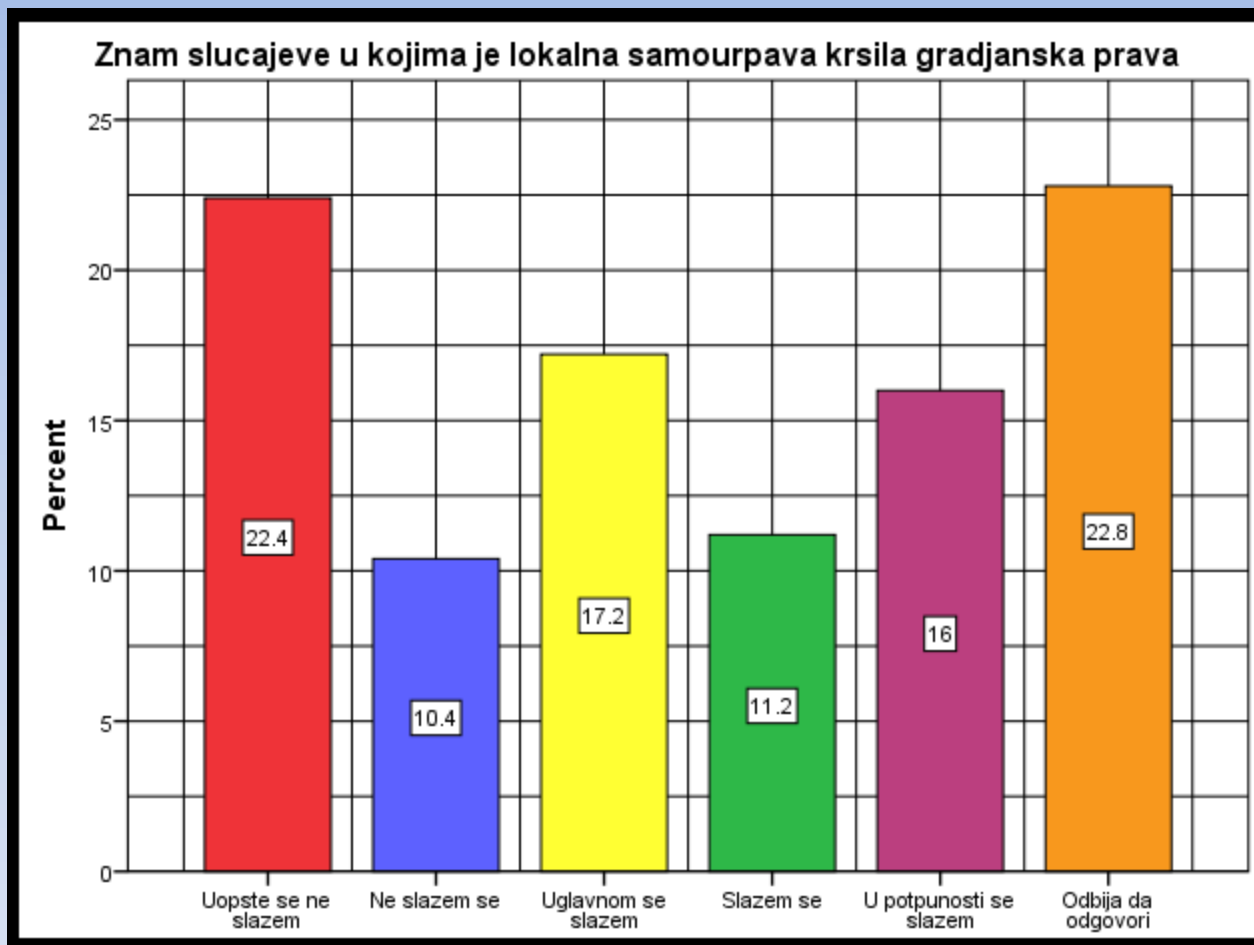

Gradjani su u potpunosti upoznati sa procedurom za podnosenje zahteva za informacije od javnog znacaja

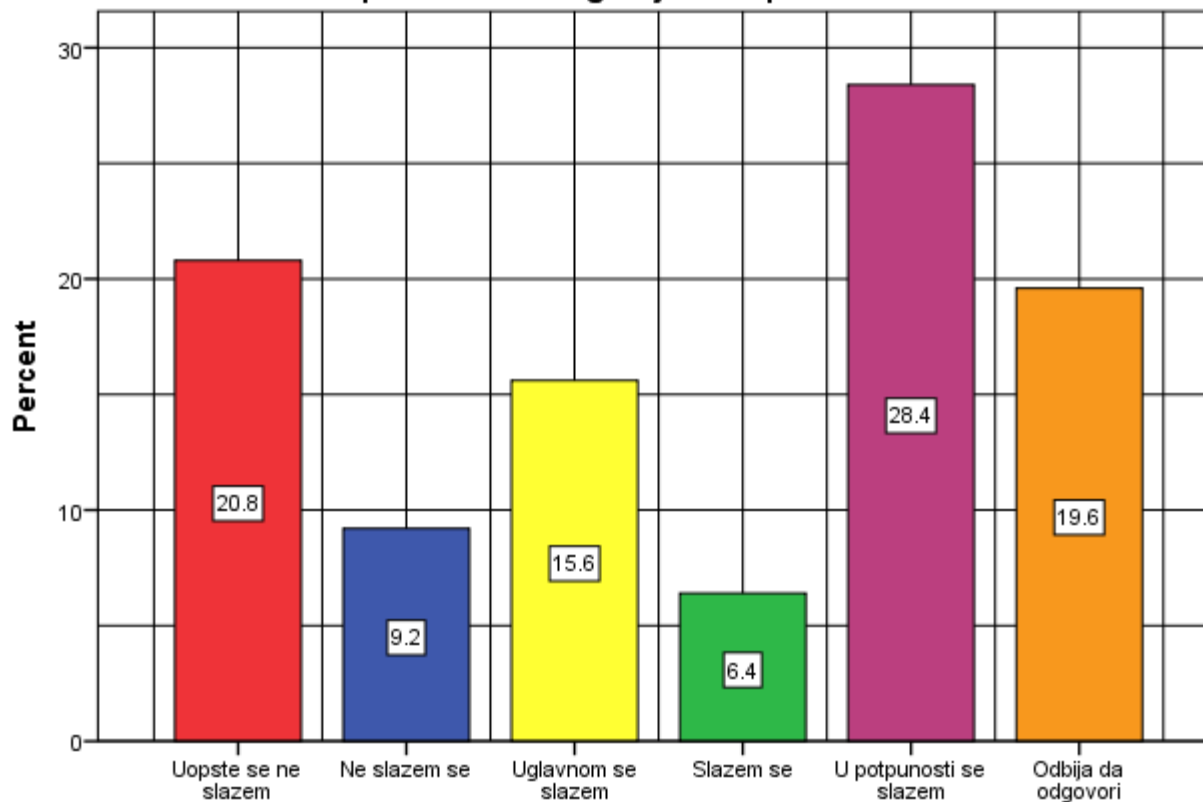

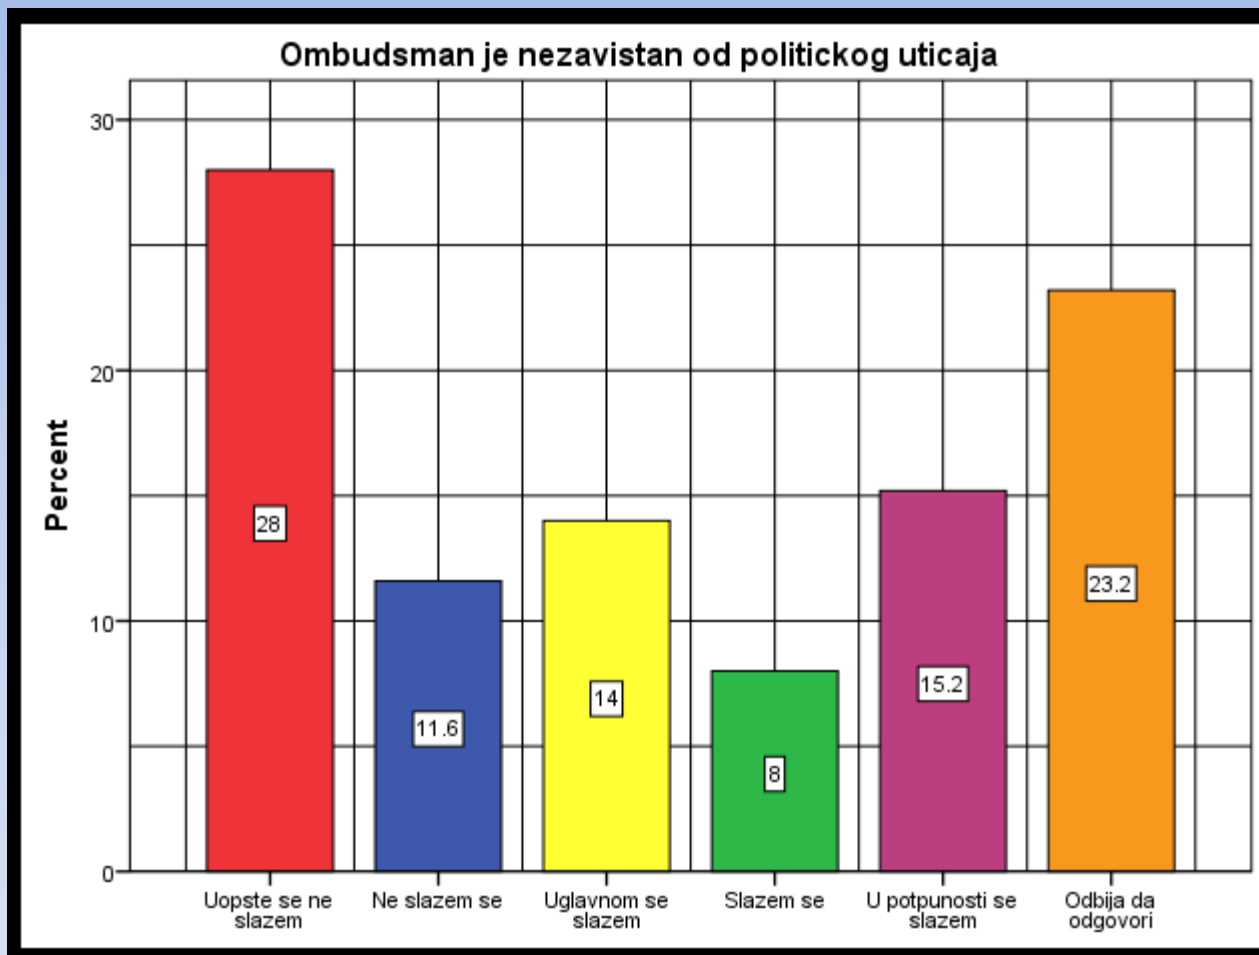

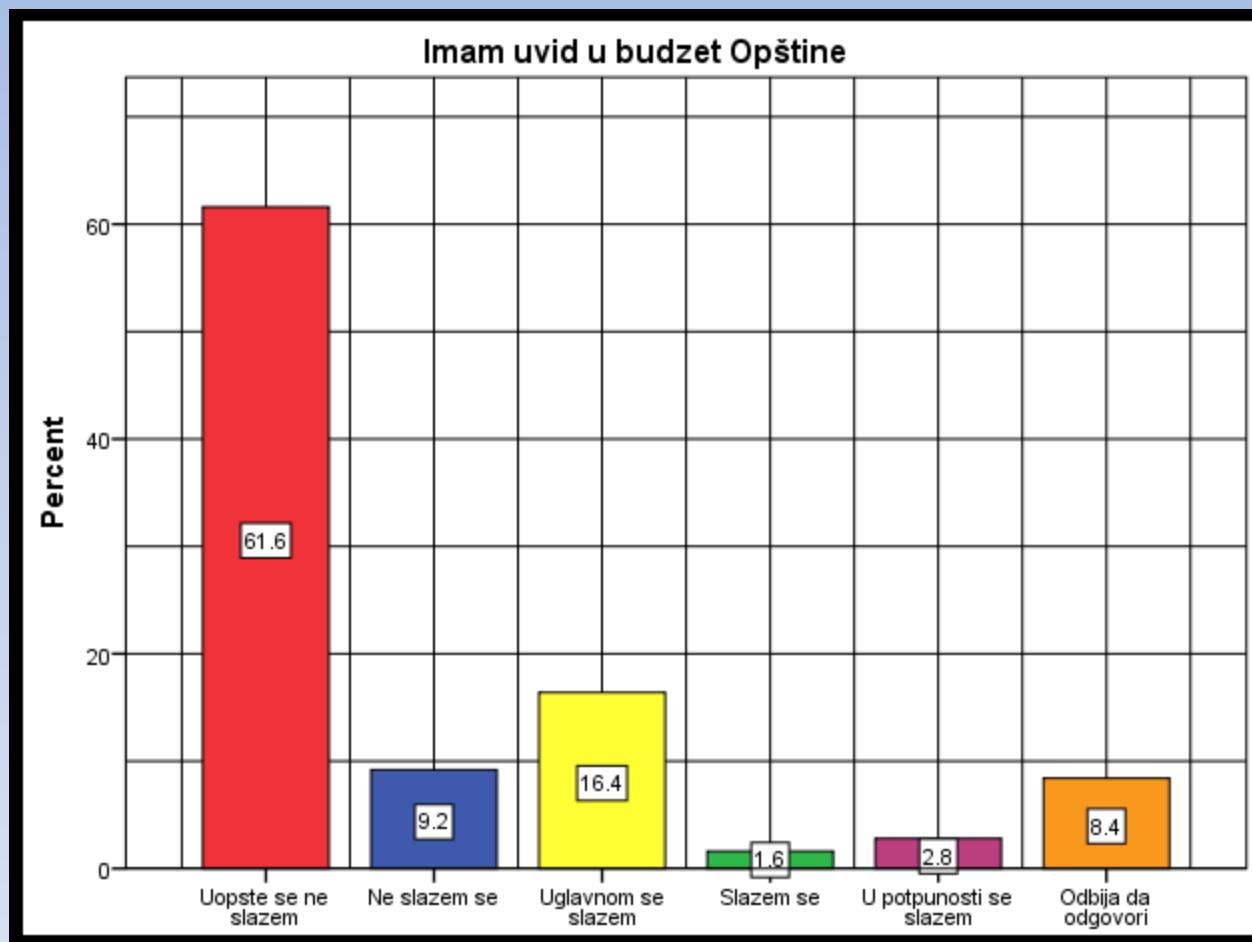

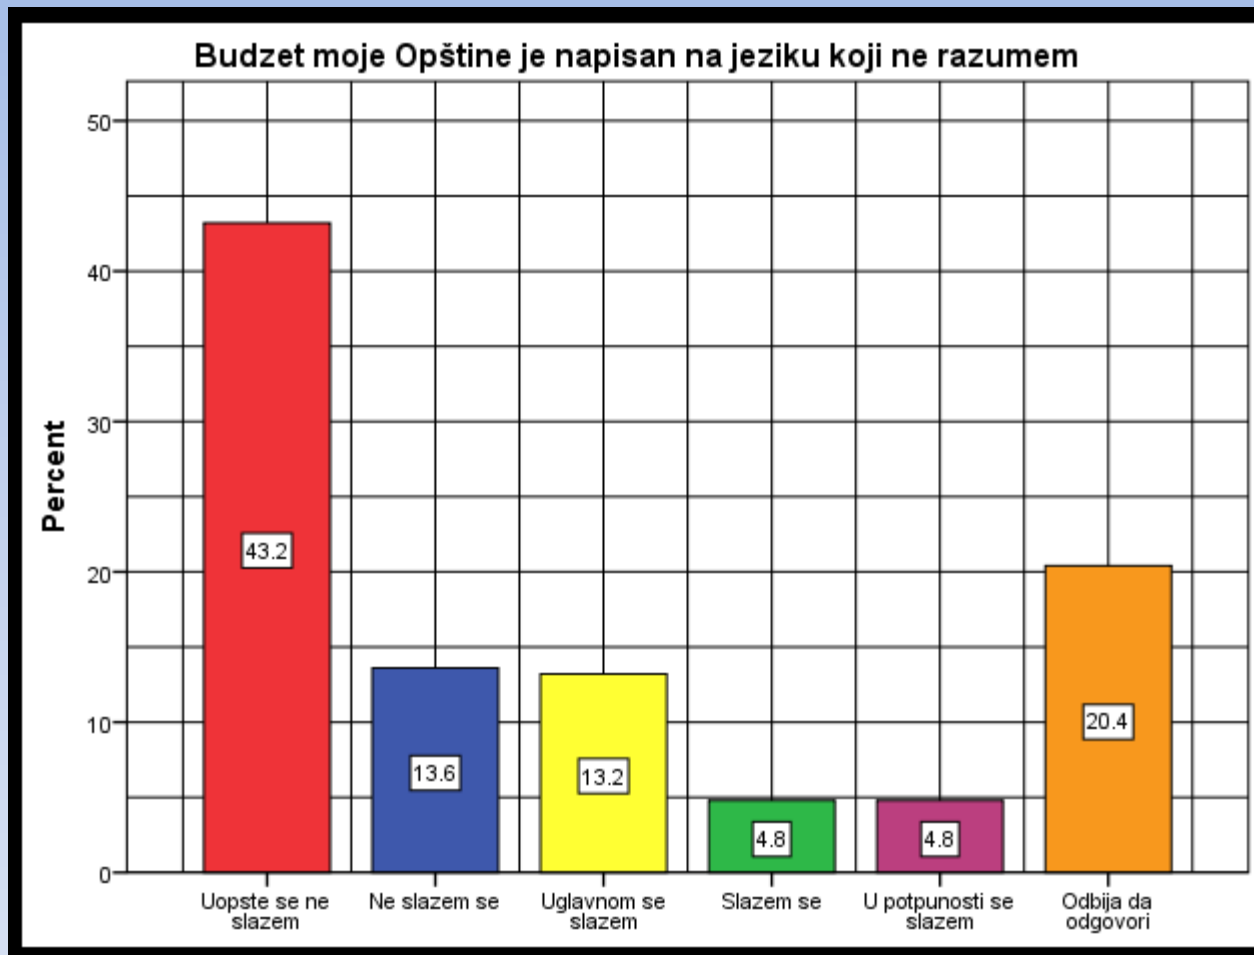

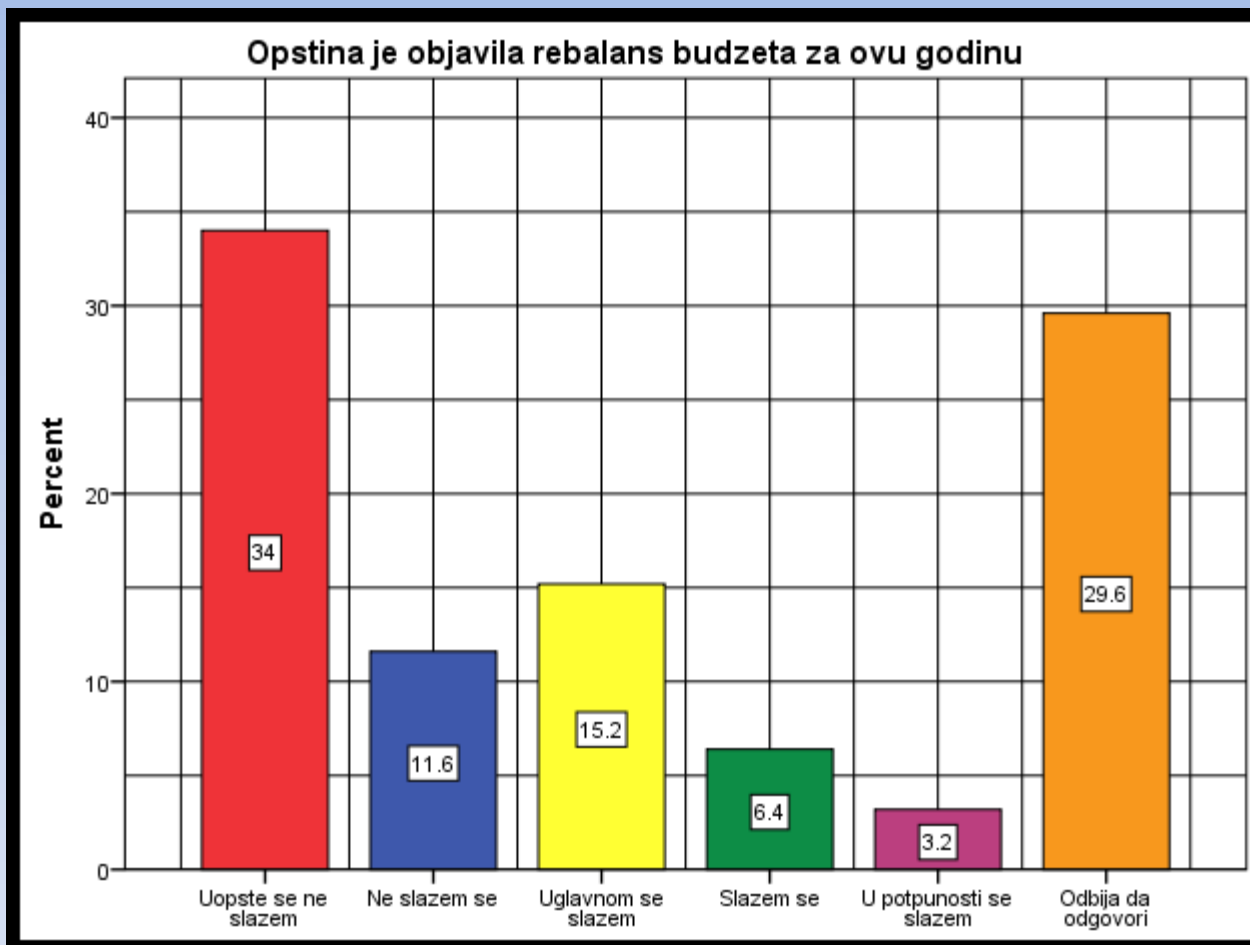

Nisam cuo/la da je Ombudsman pokrenuo bilo koji postupak kad je institucija prekrasila neko gradjansko pravo

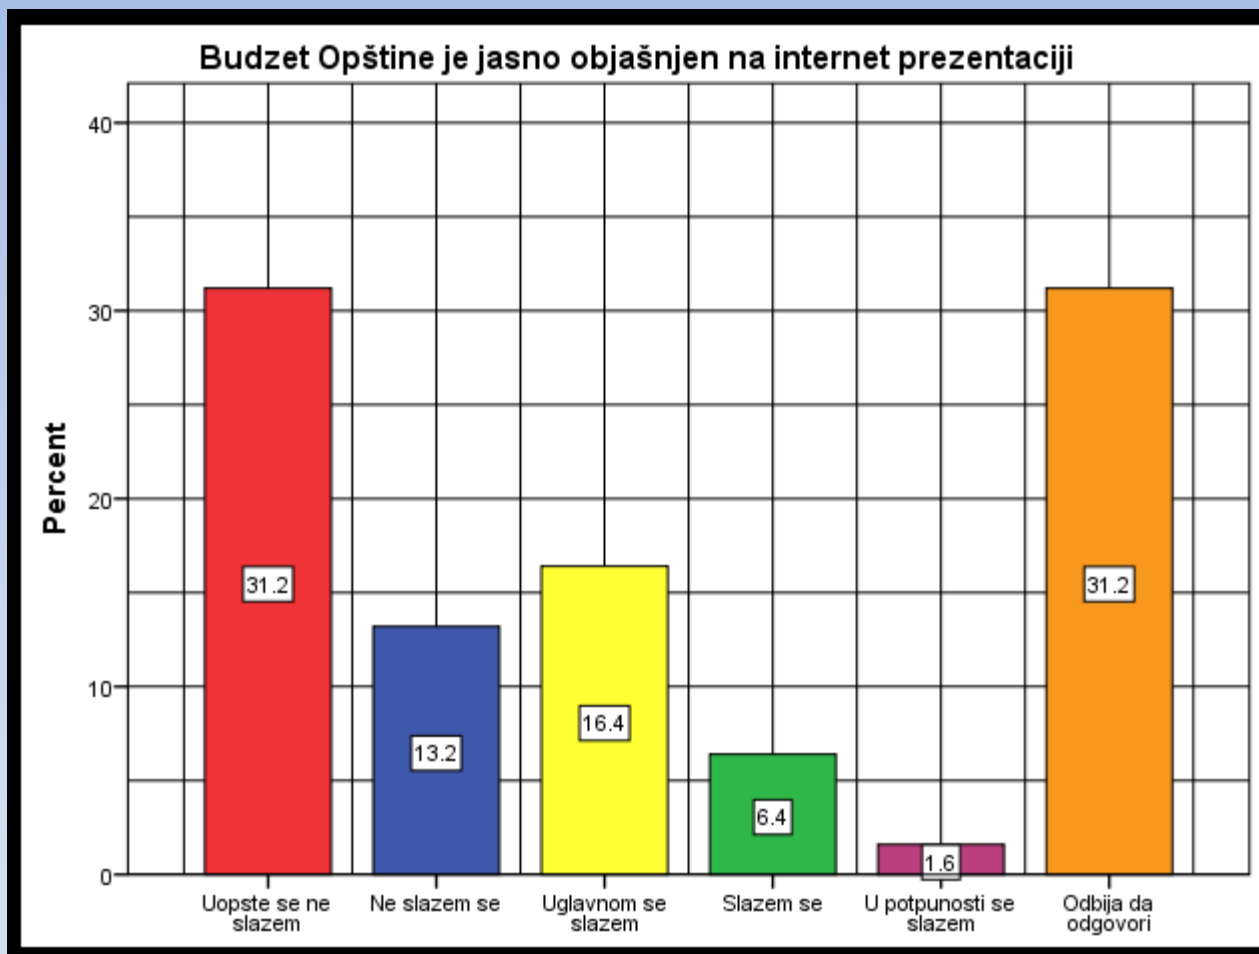

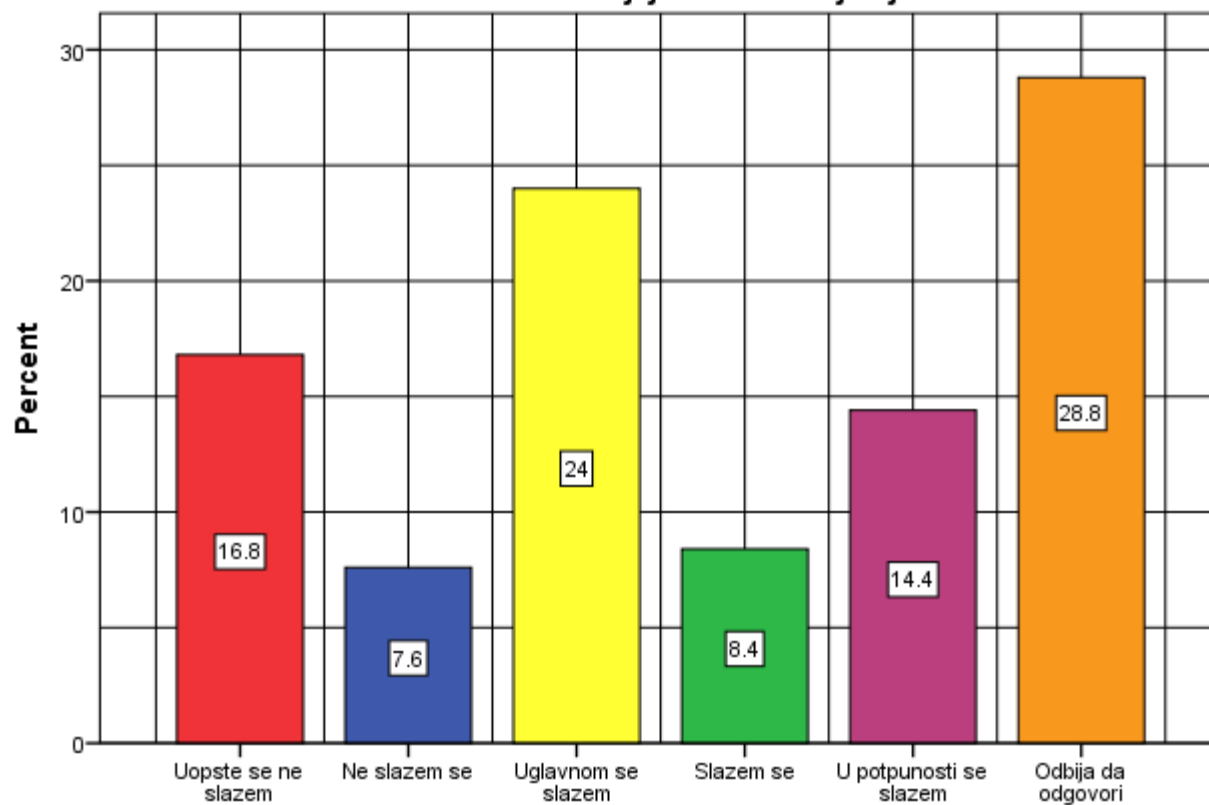

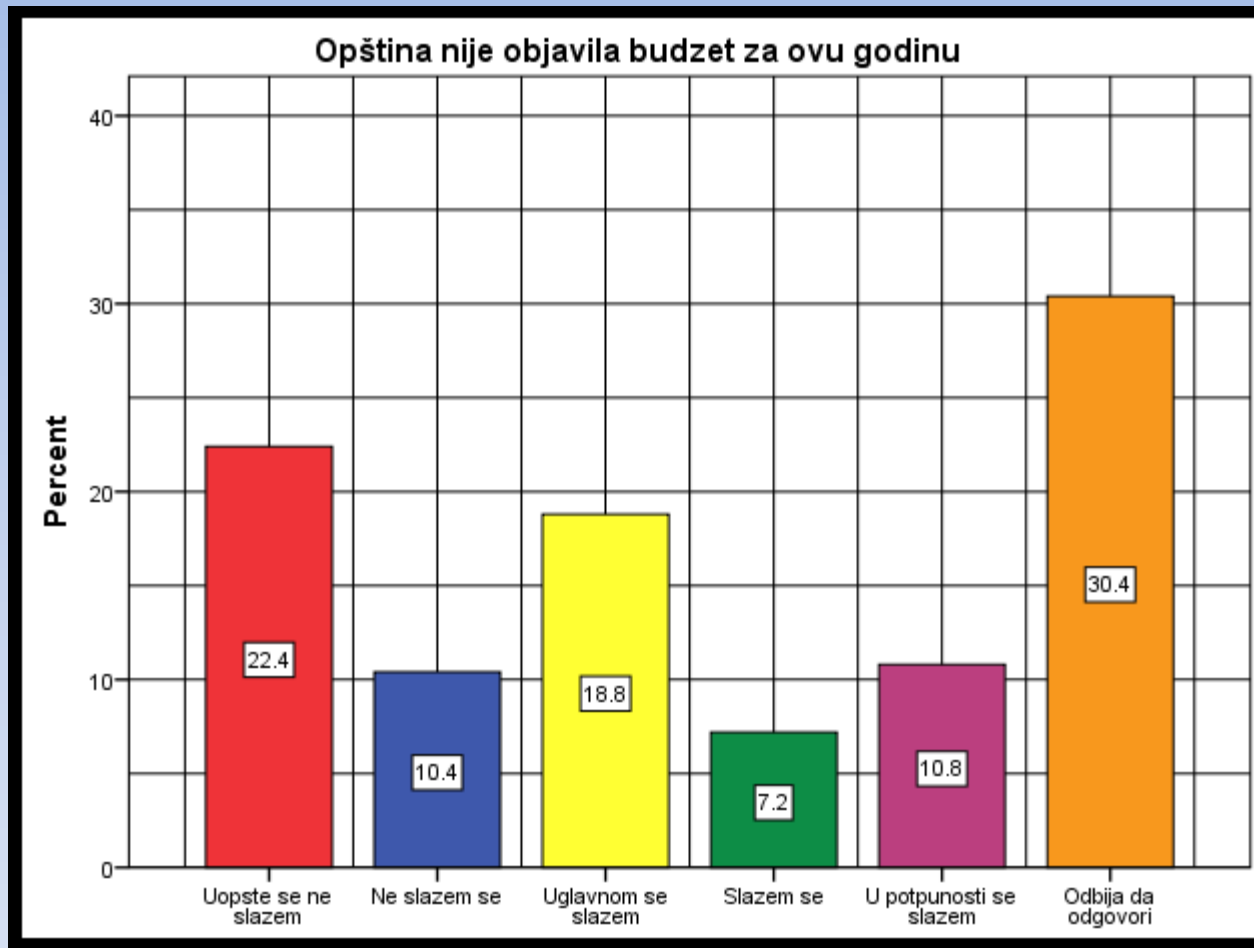

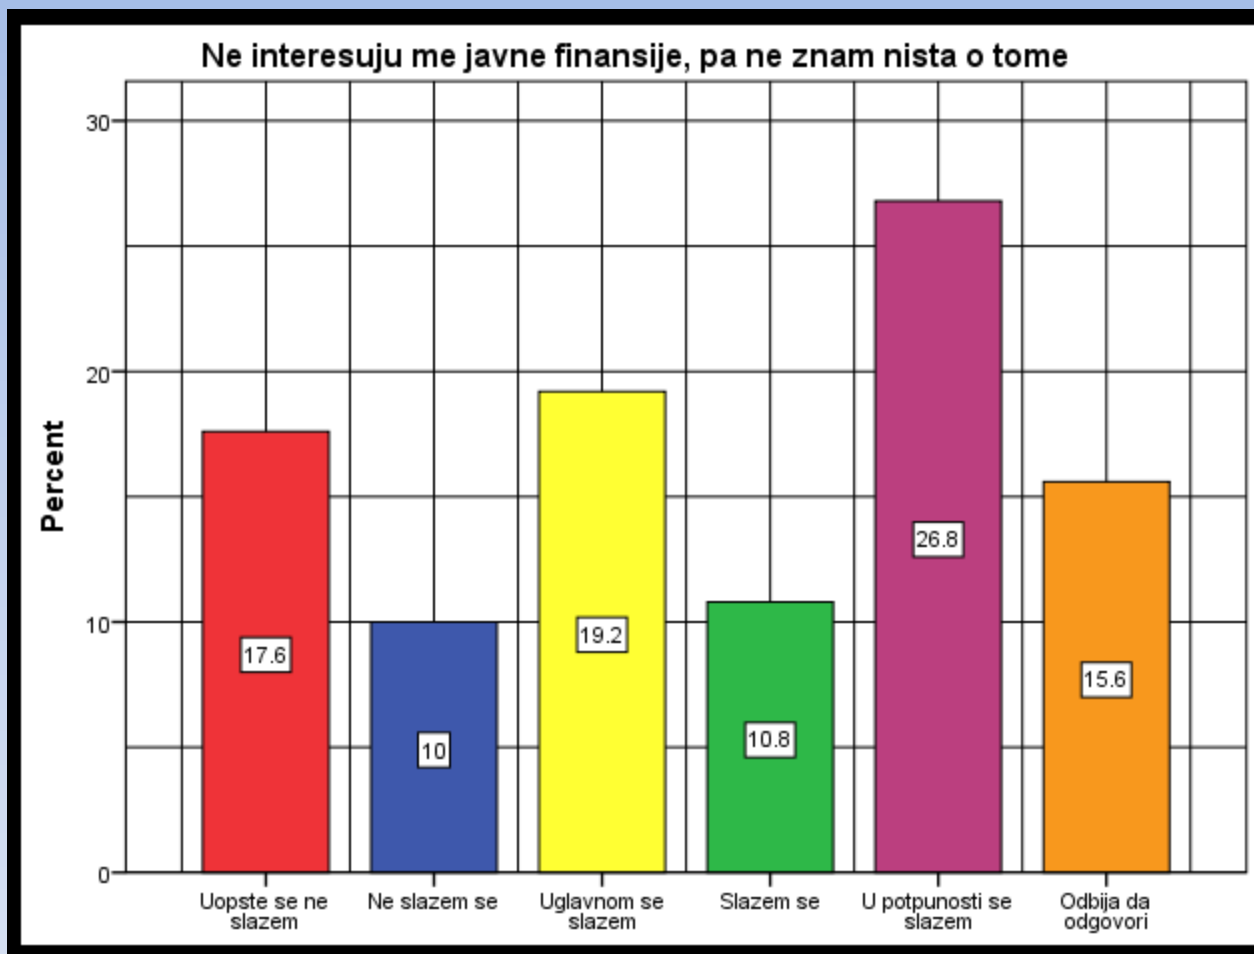

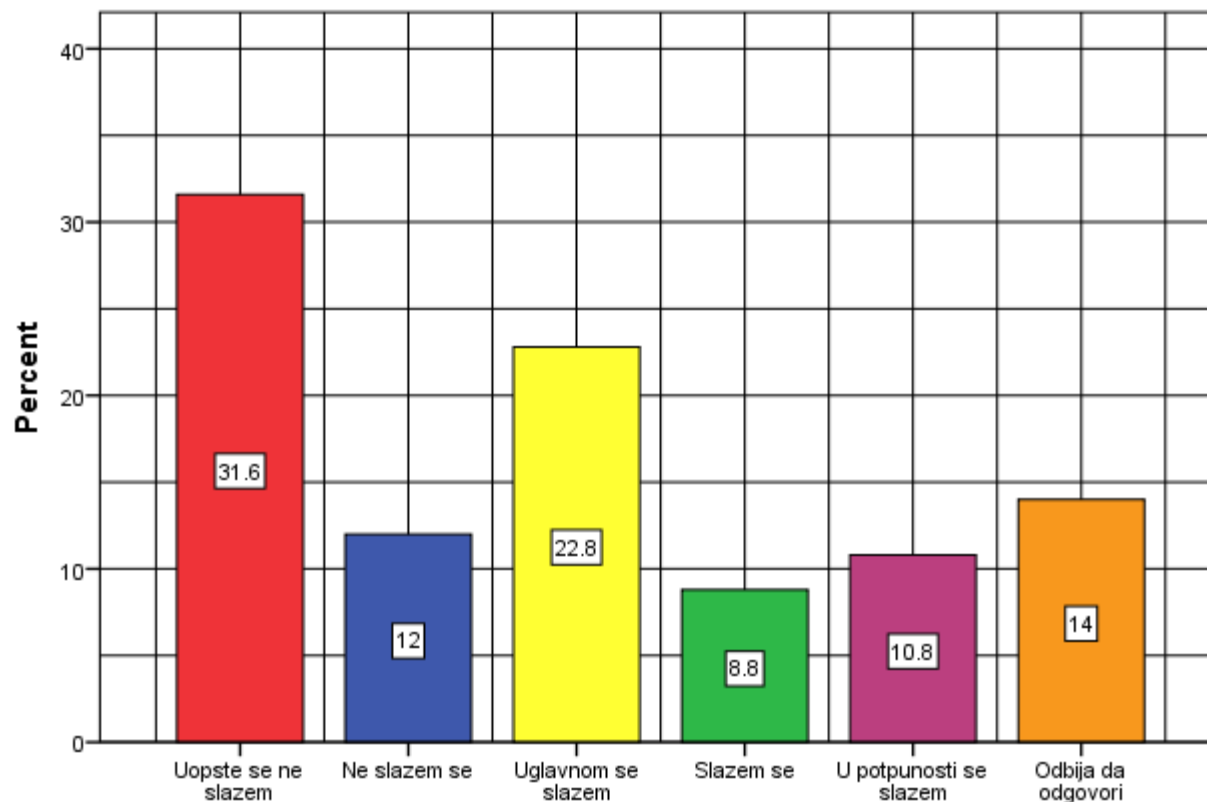

Budzet Opštine nije objašnjen - nisam siguran/la da prosecan gradjanin/ka moze da razume nacin na koji je budzet objavljen

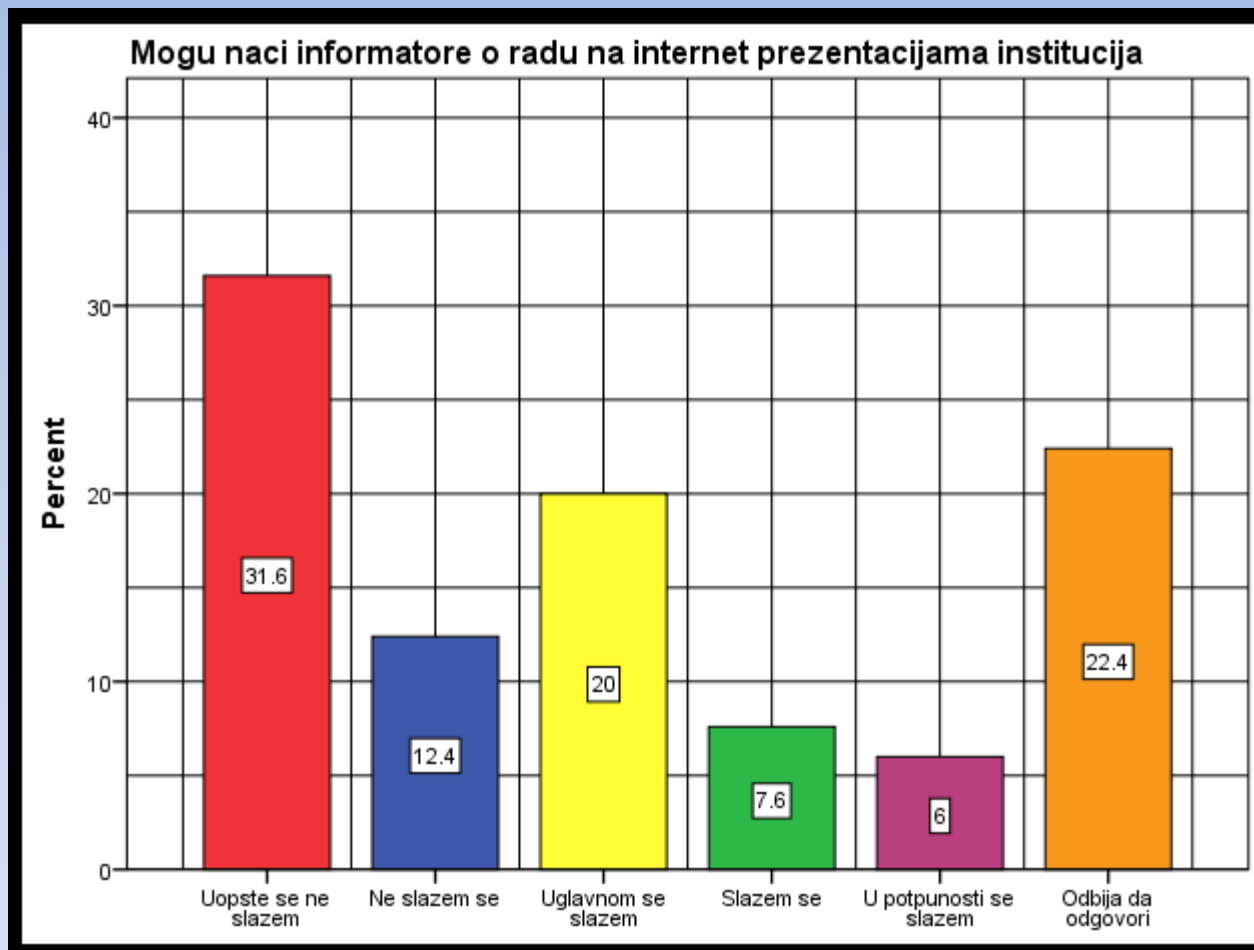

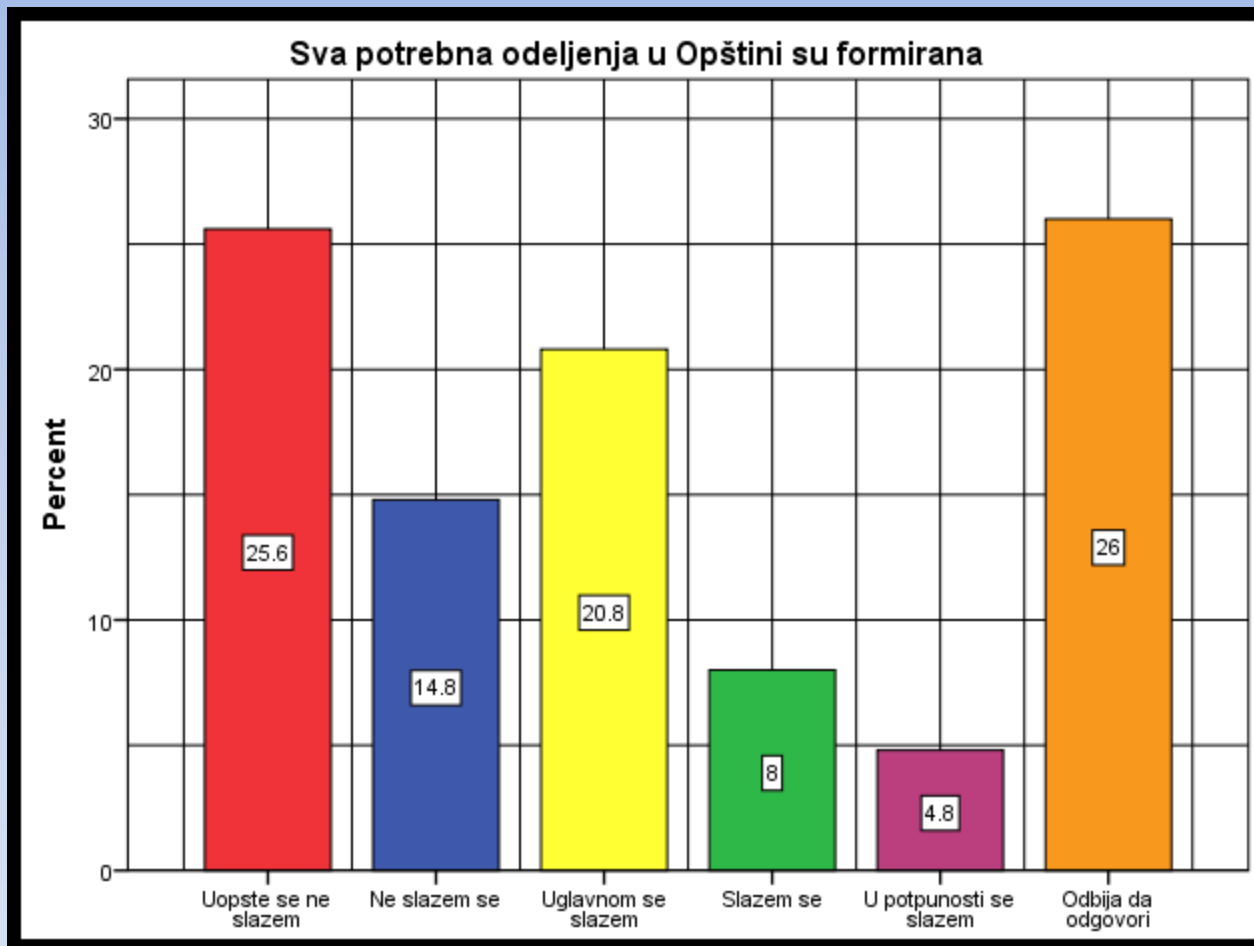

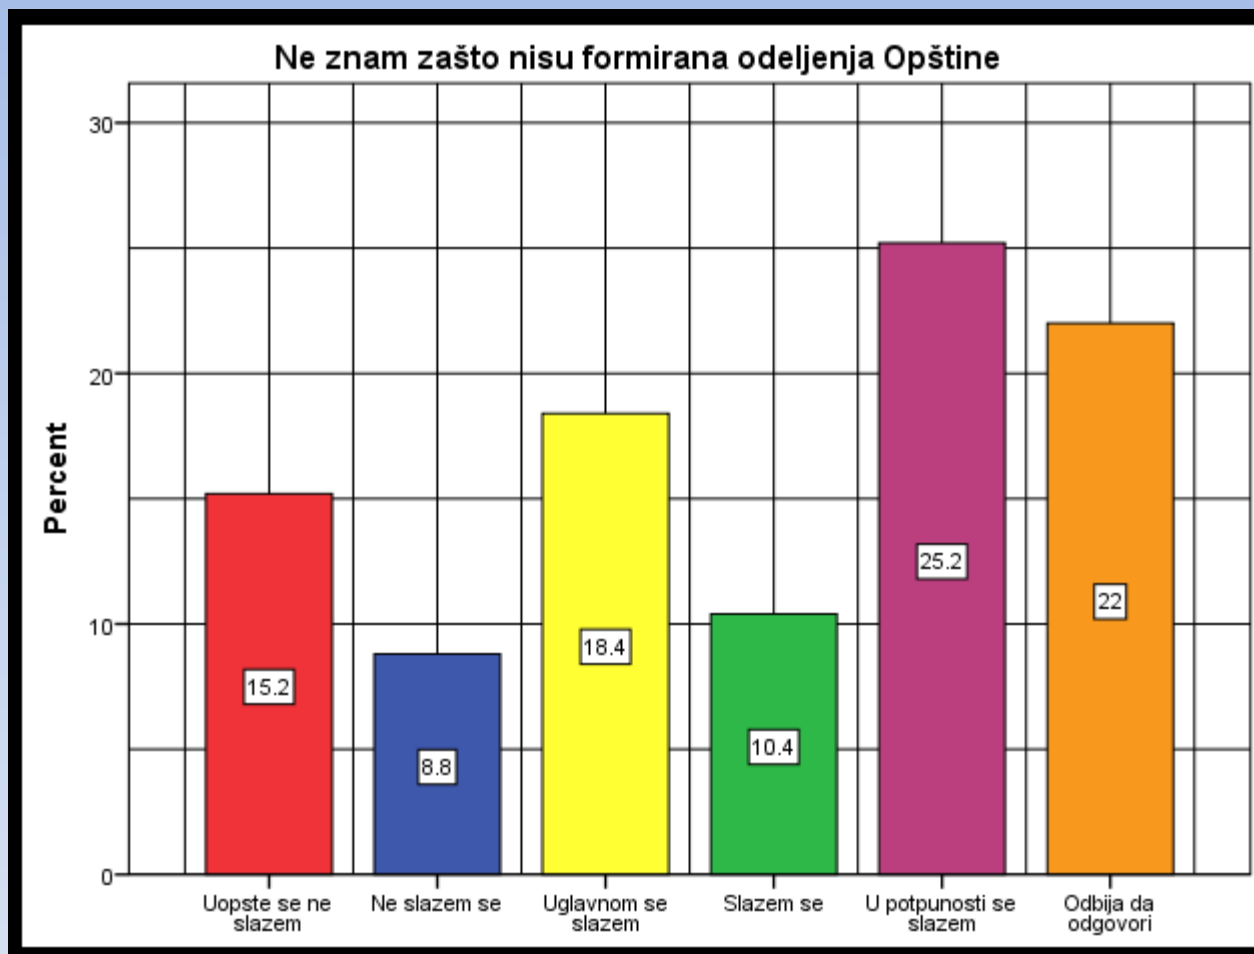

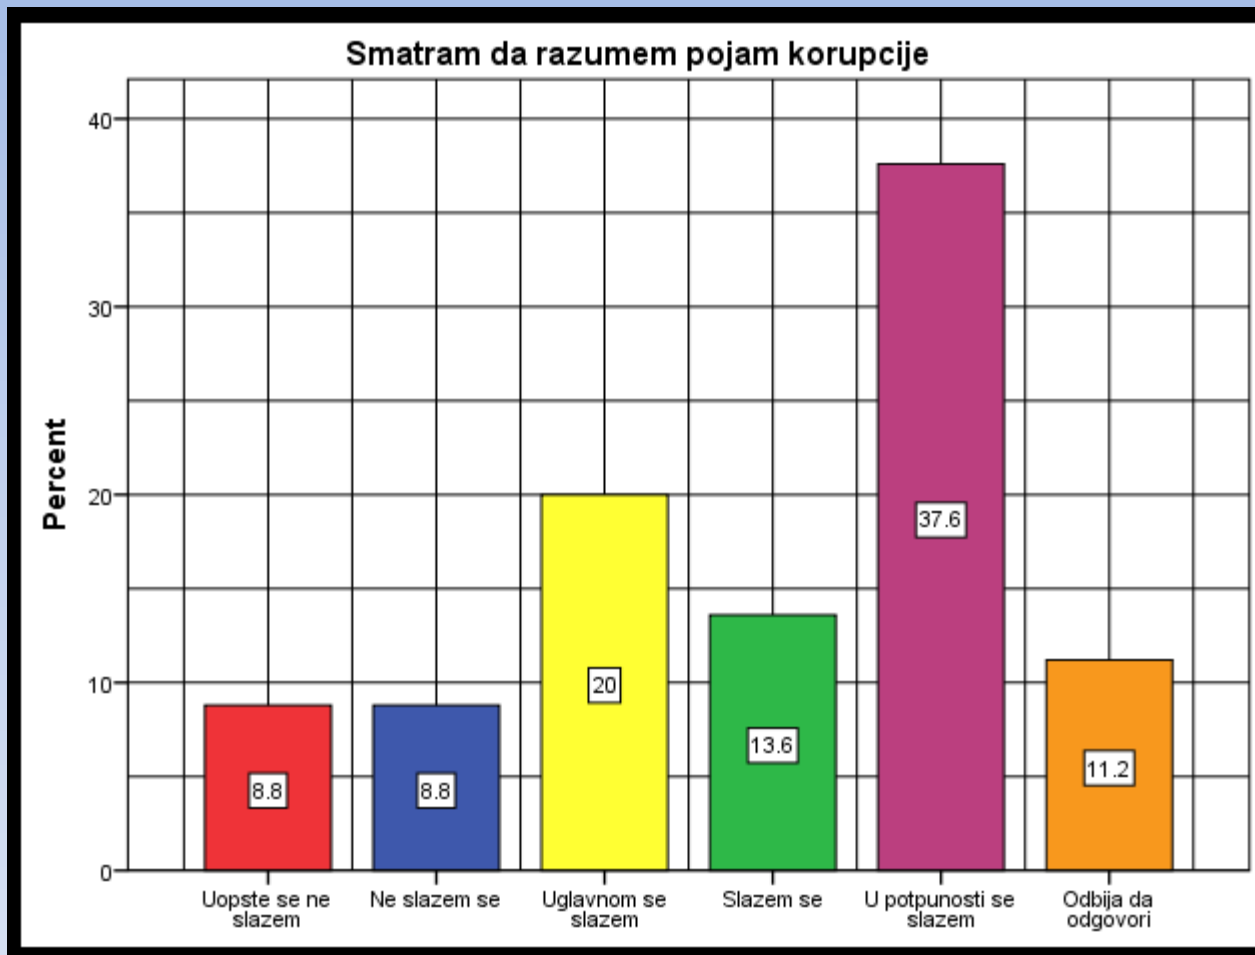

Upoznat/a sam sa zakonskom obavezom da sve institucije moraju da objavljuju informator

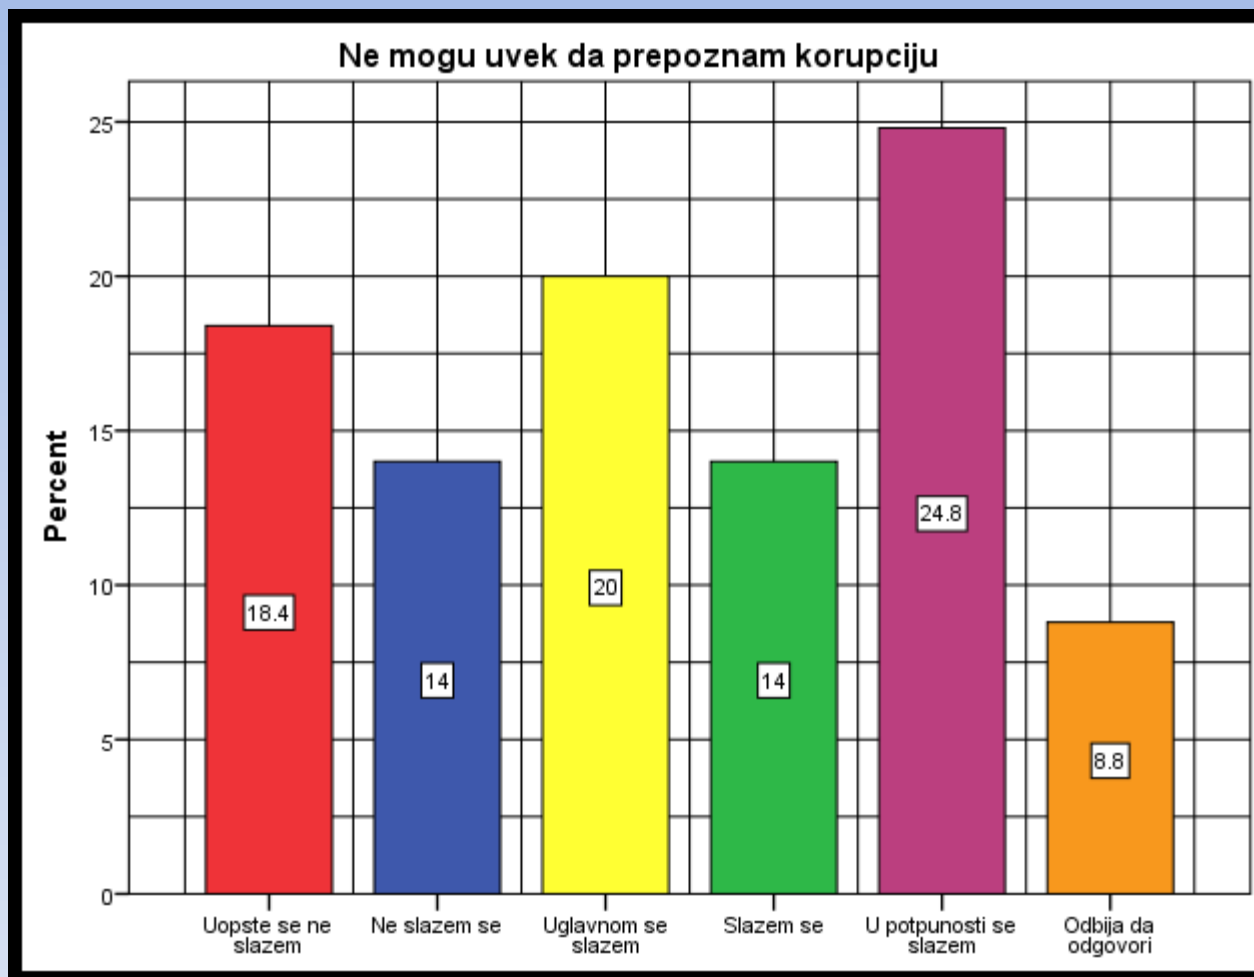

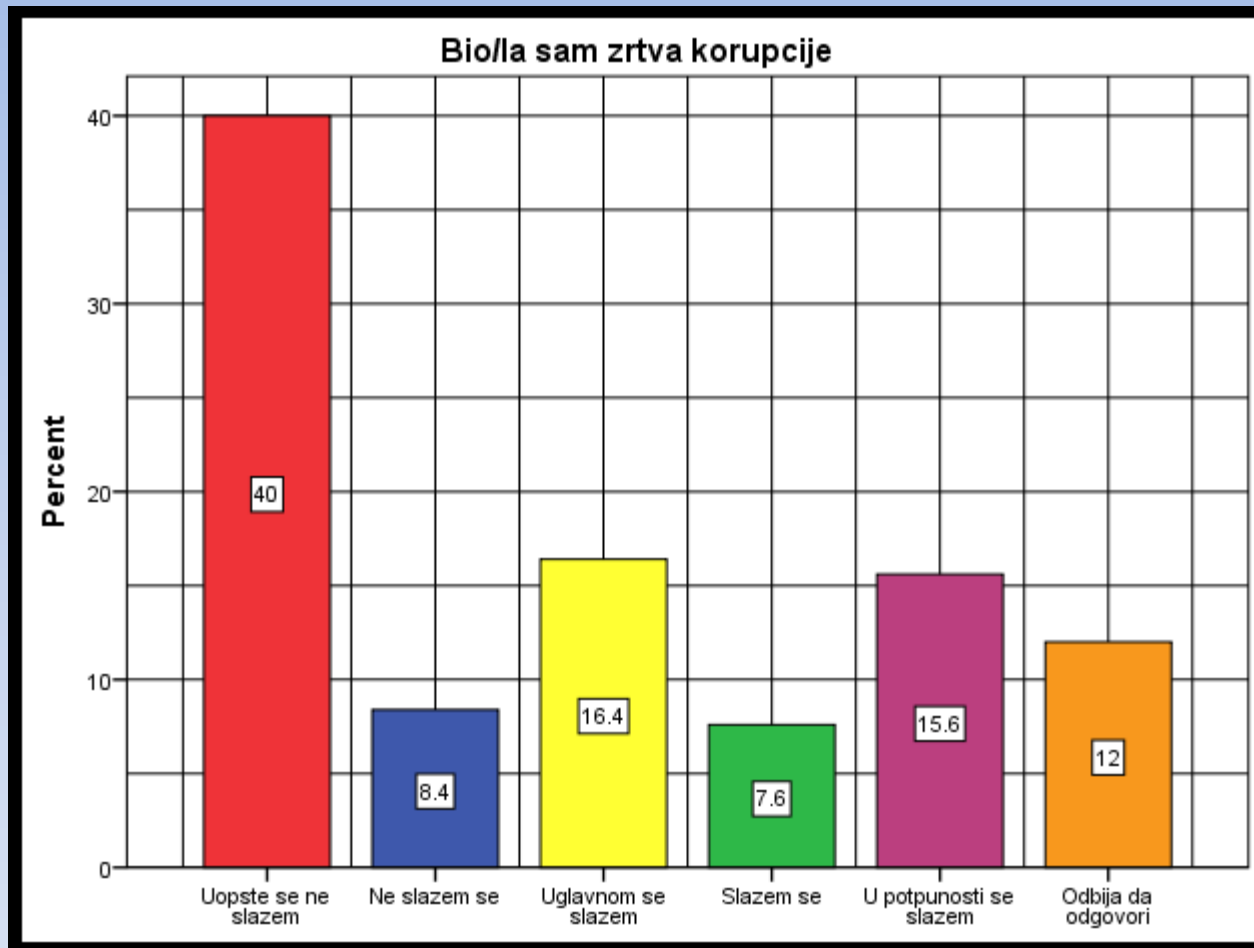

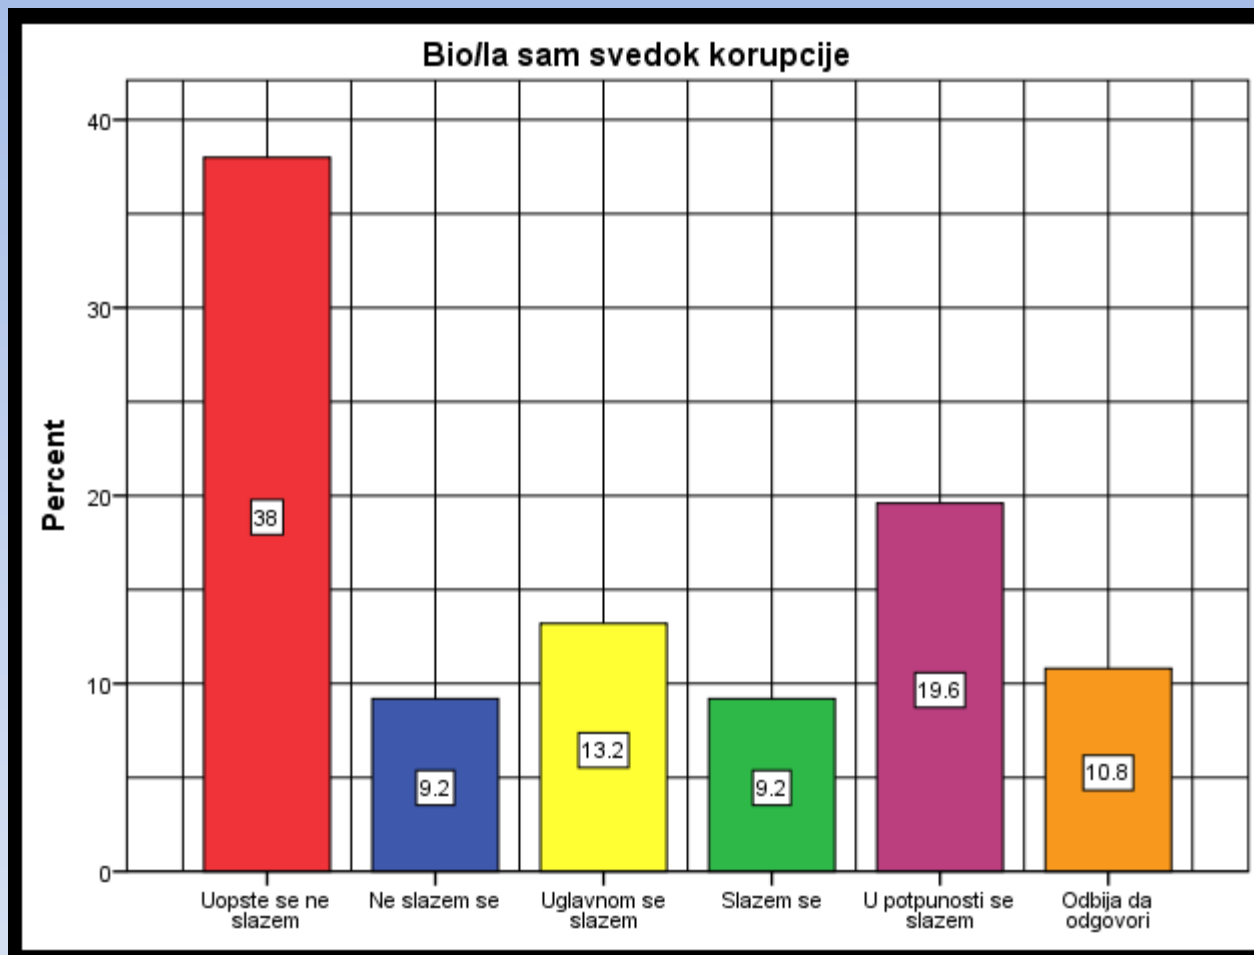

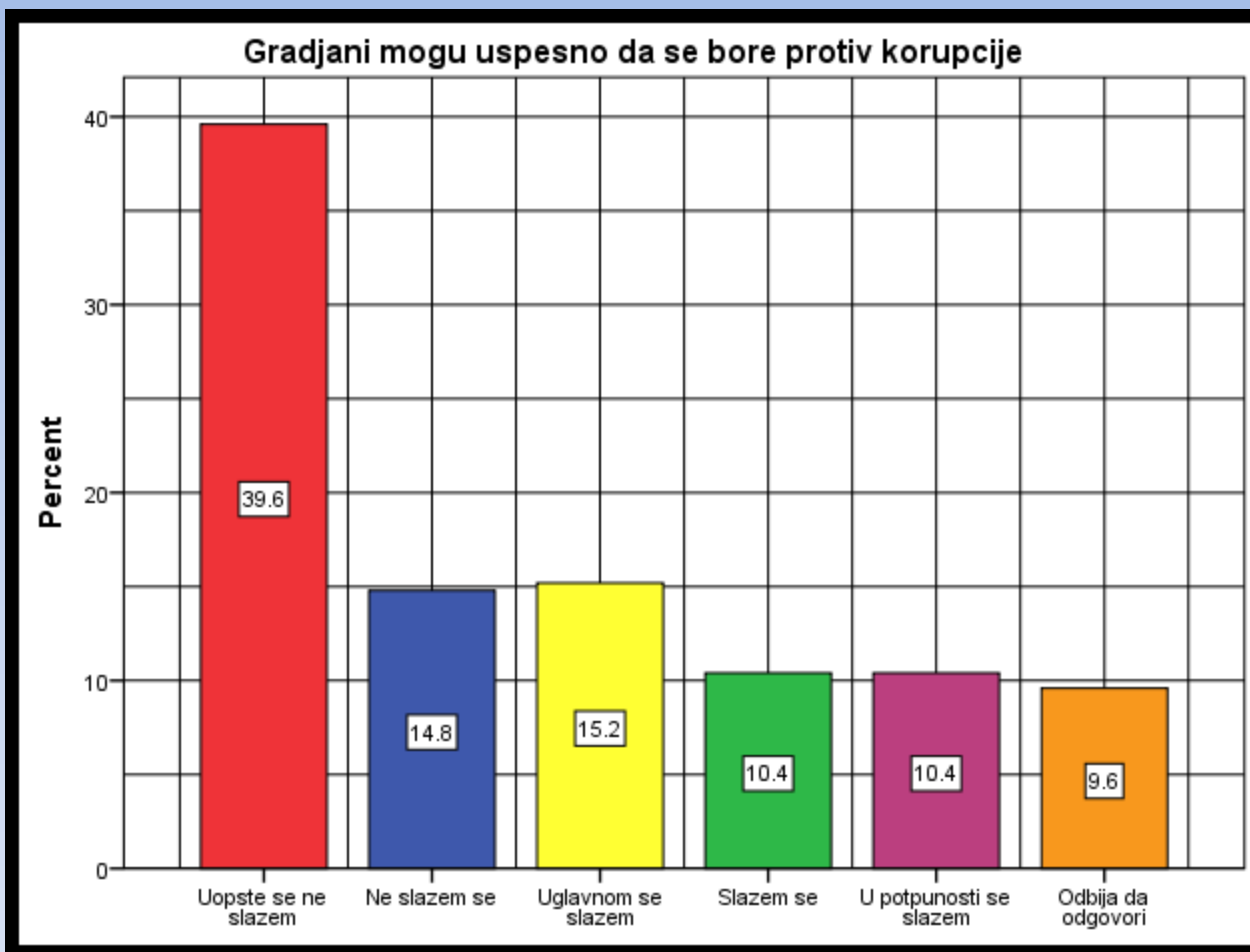

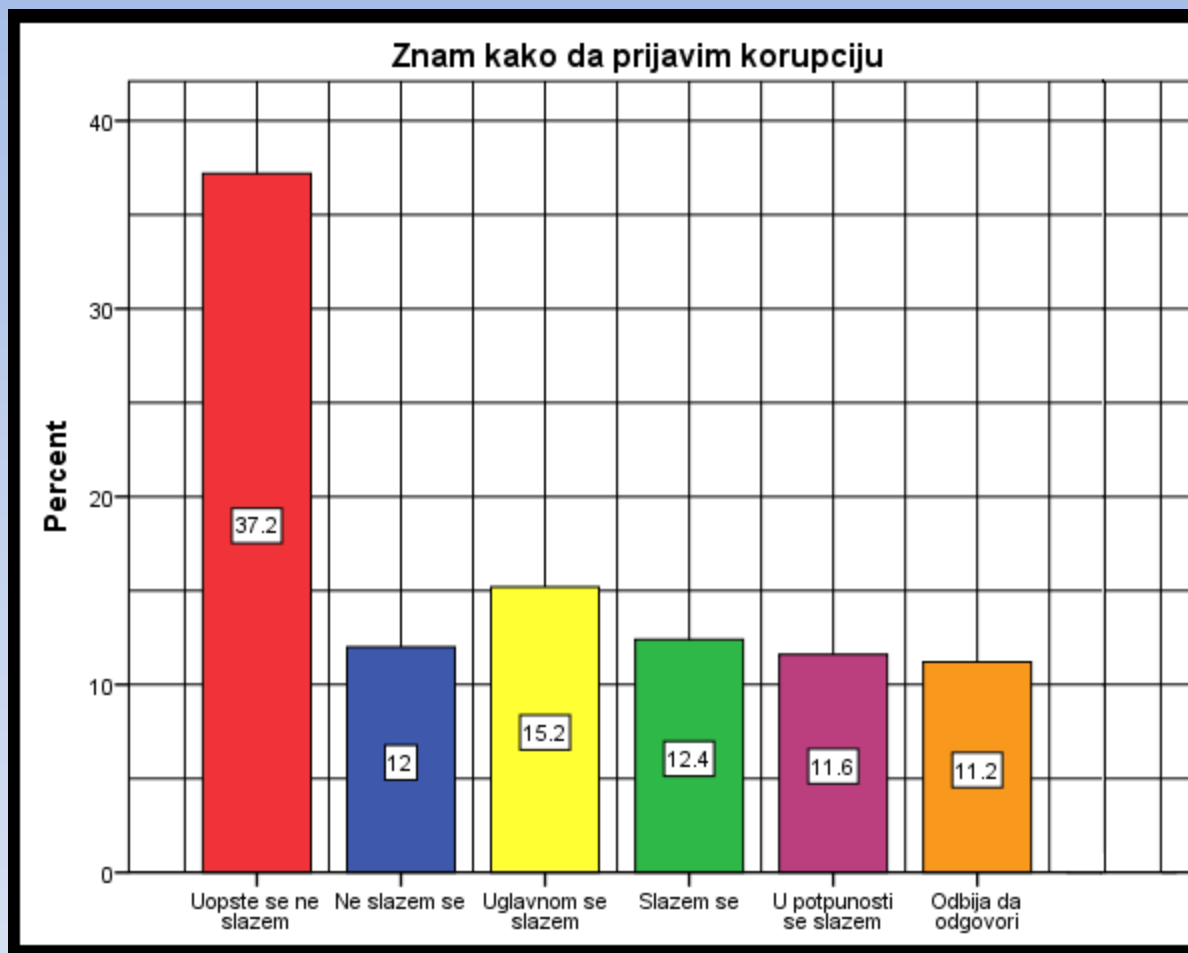

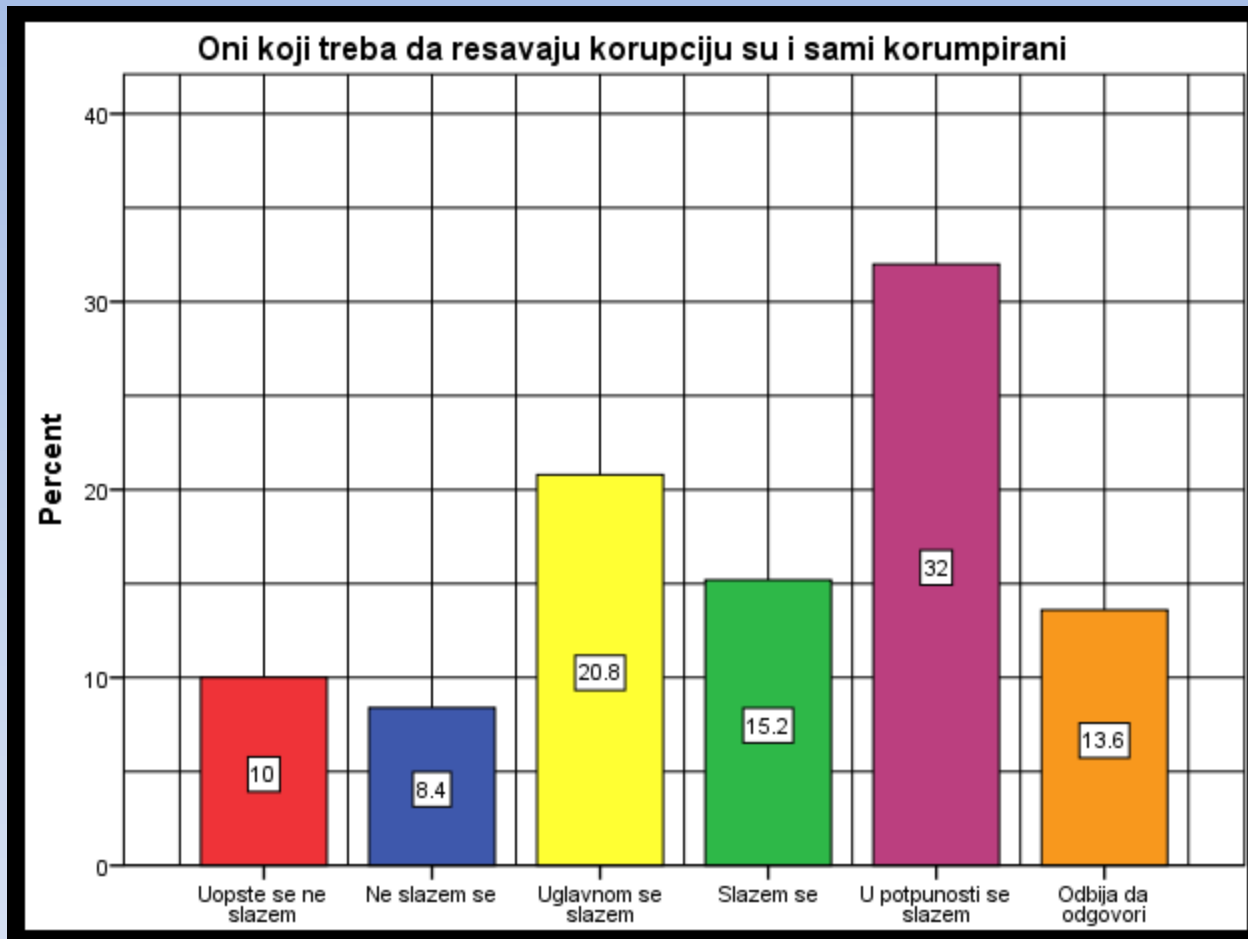

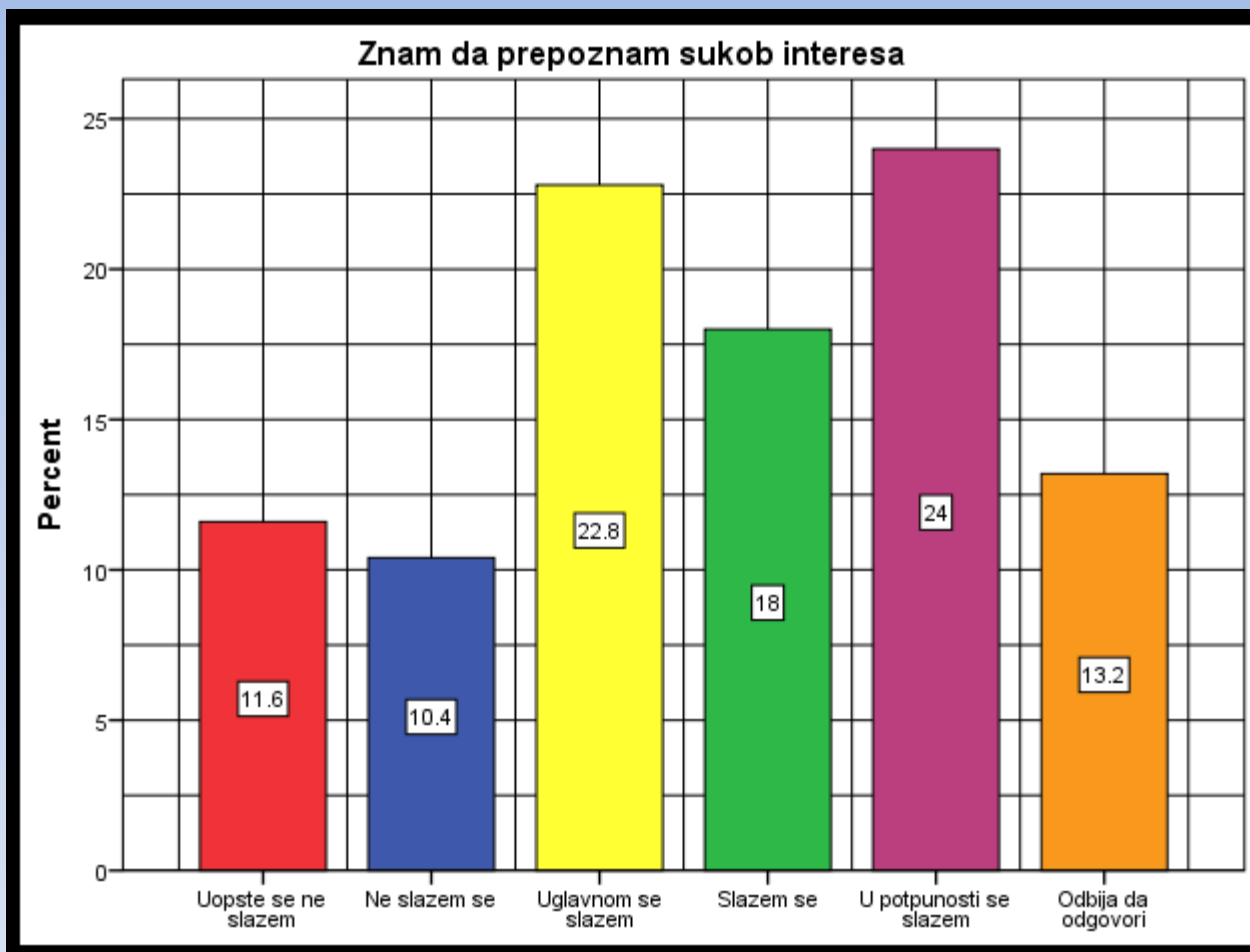

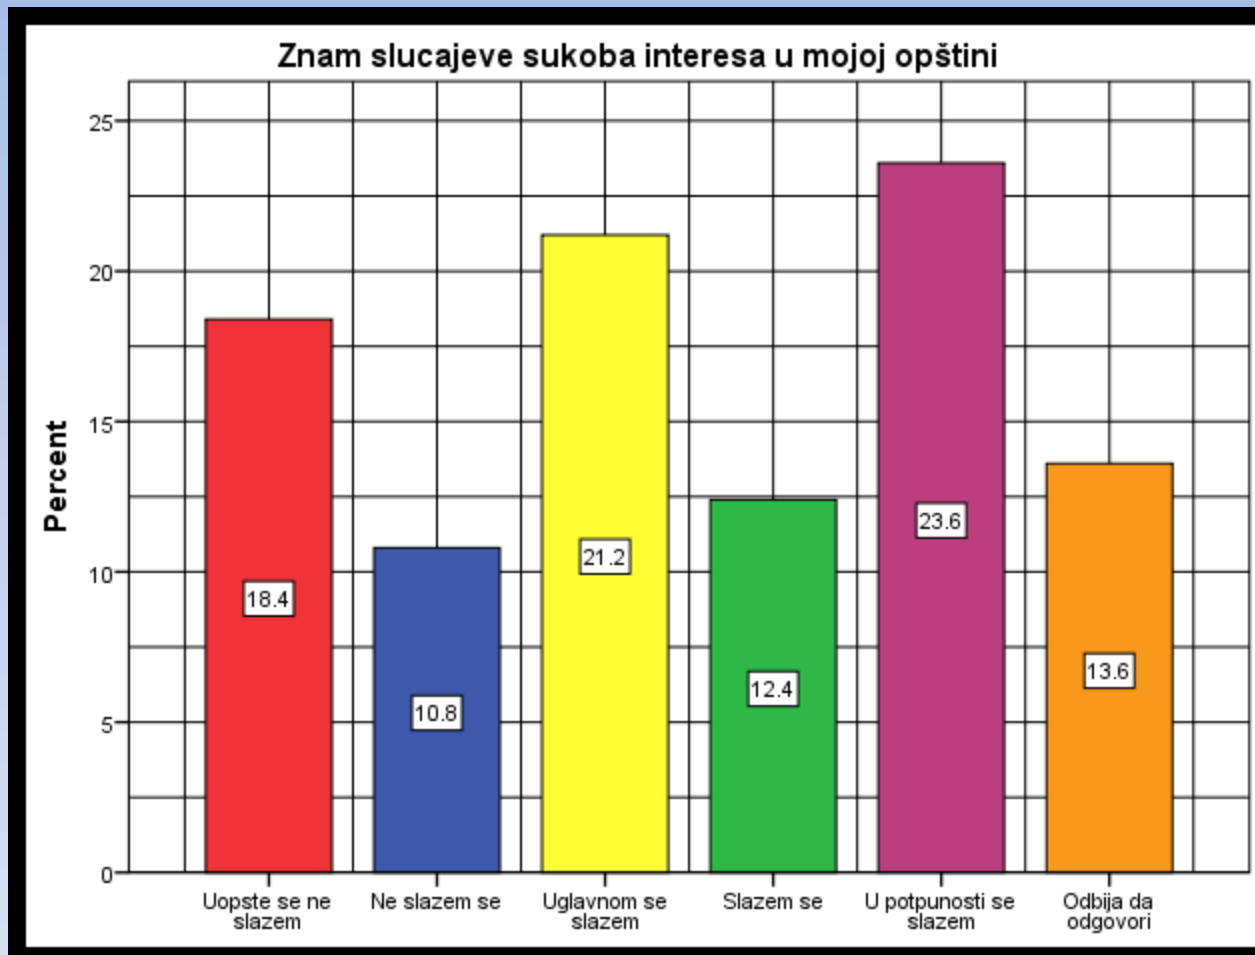

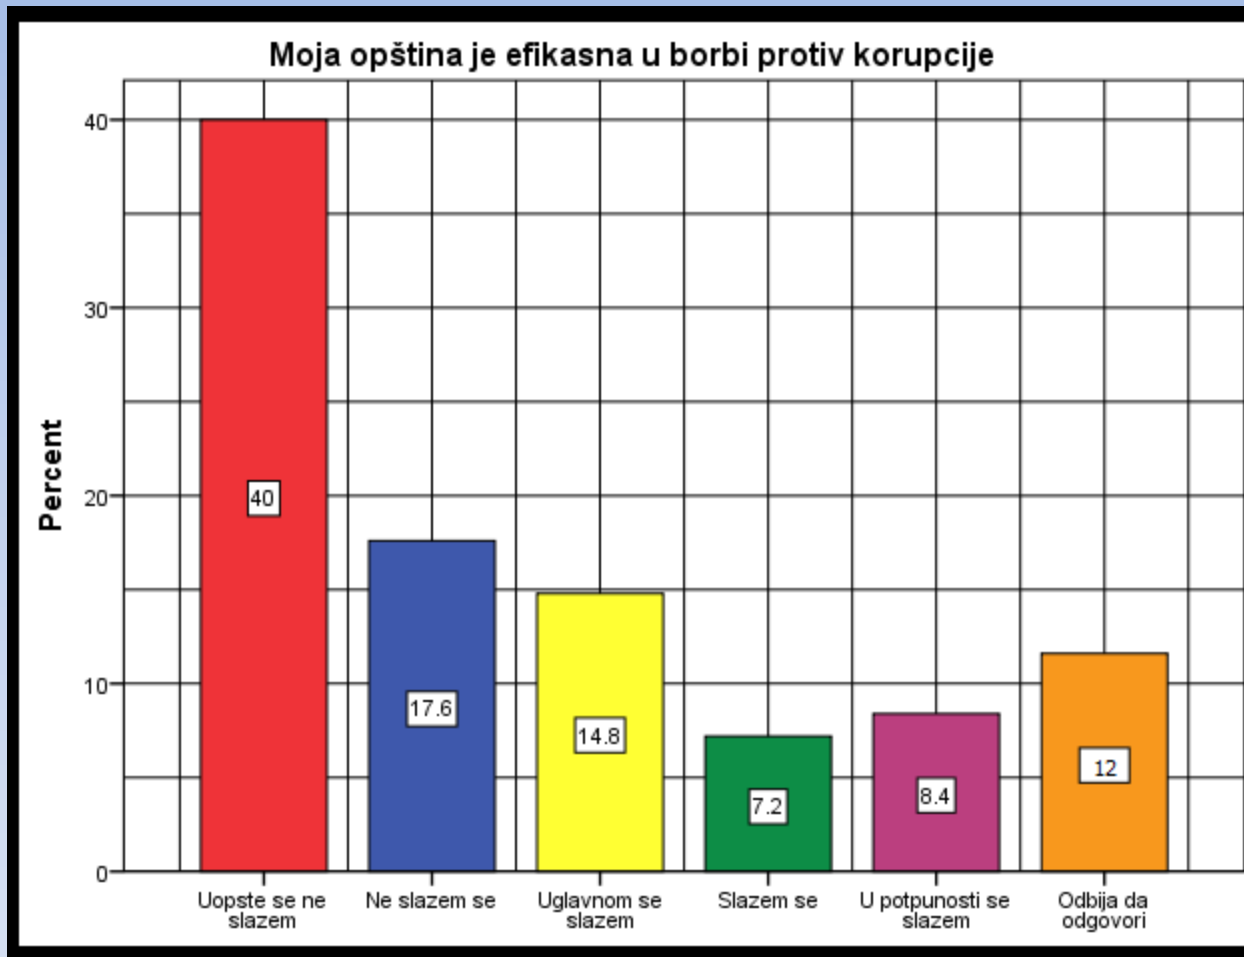

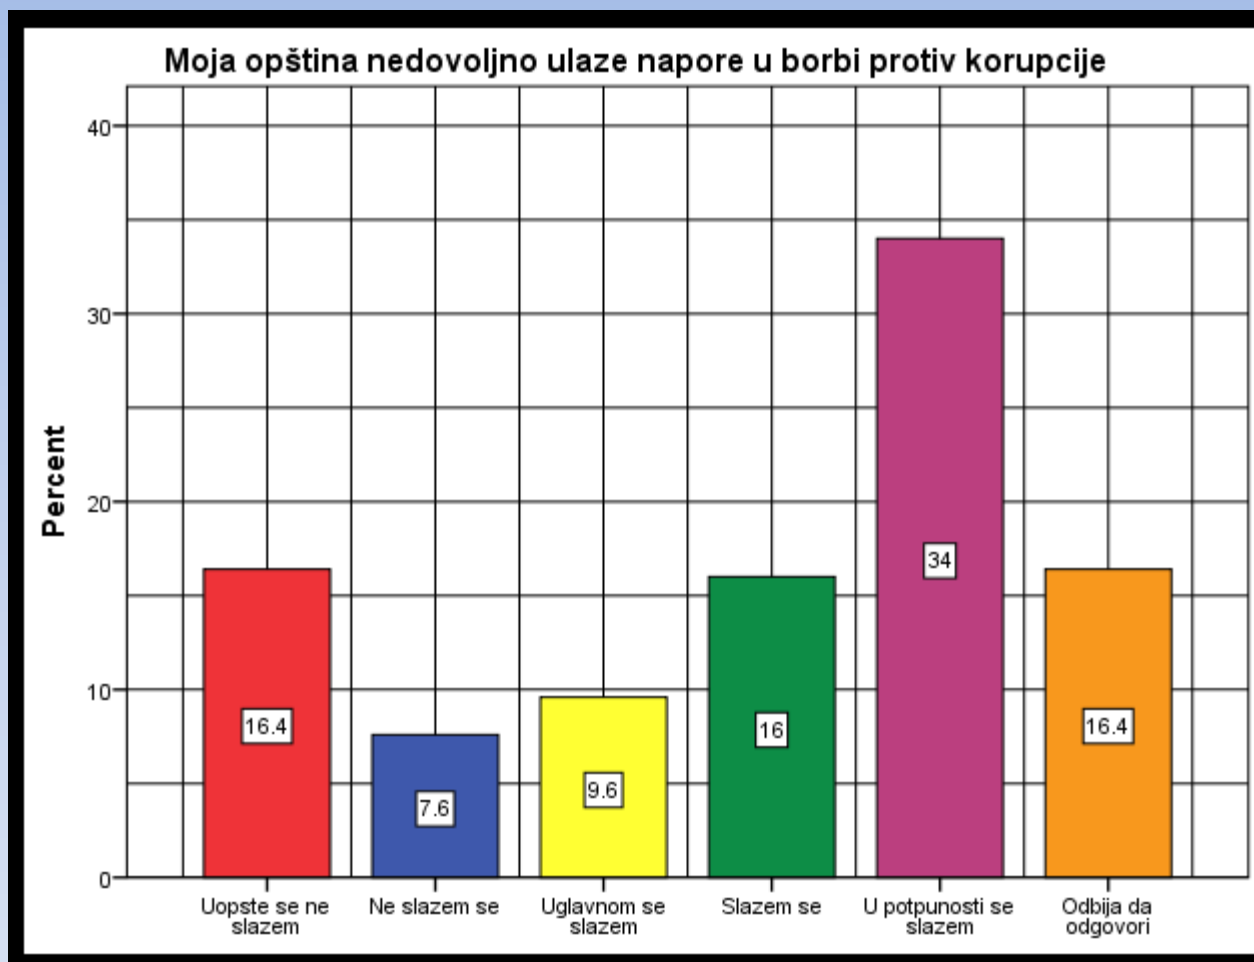

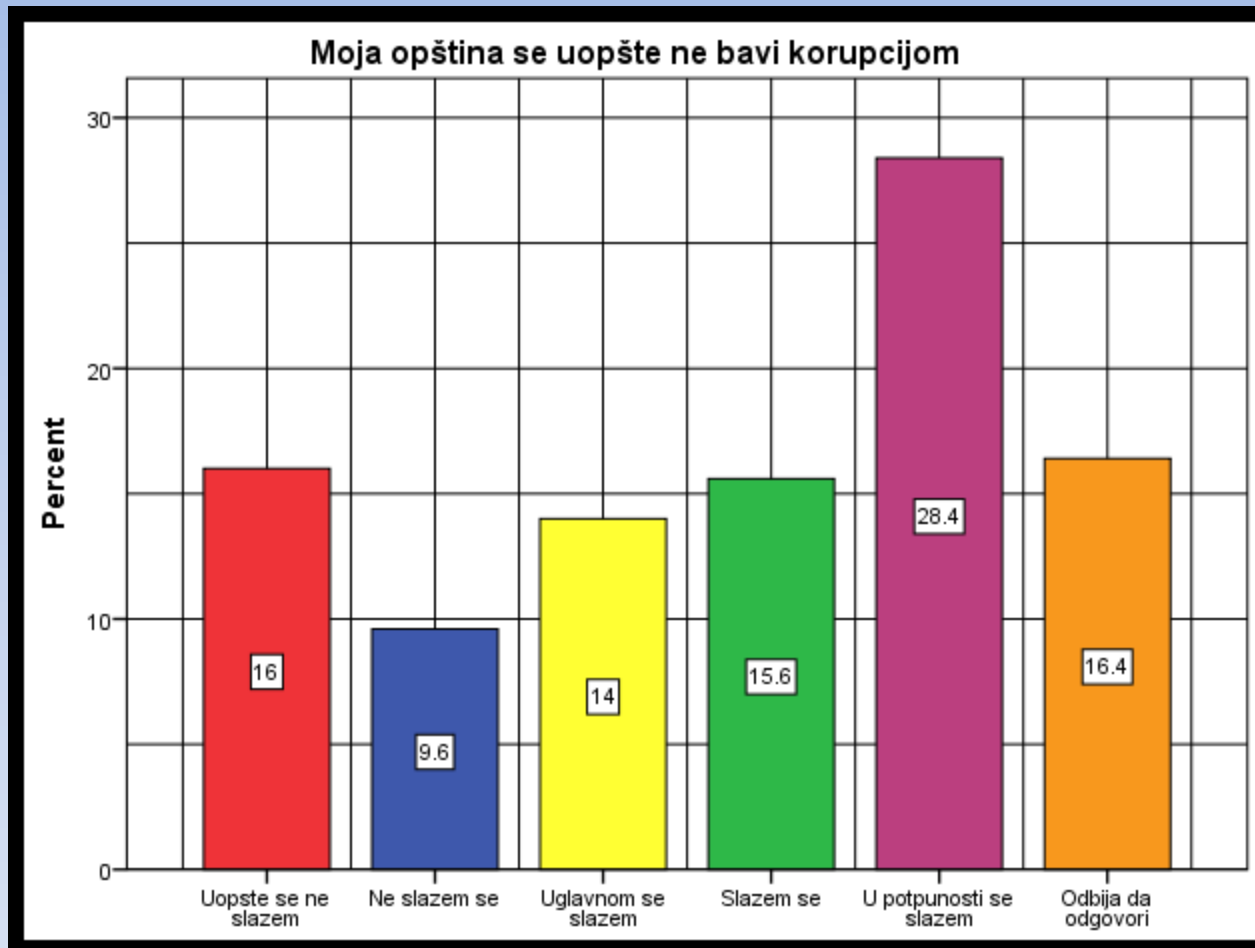

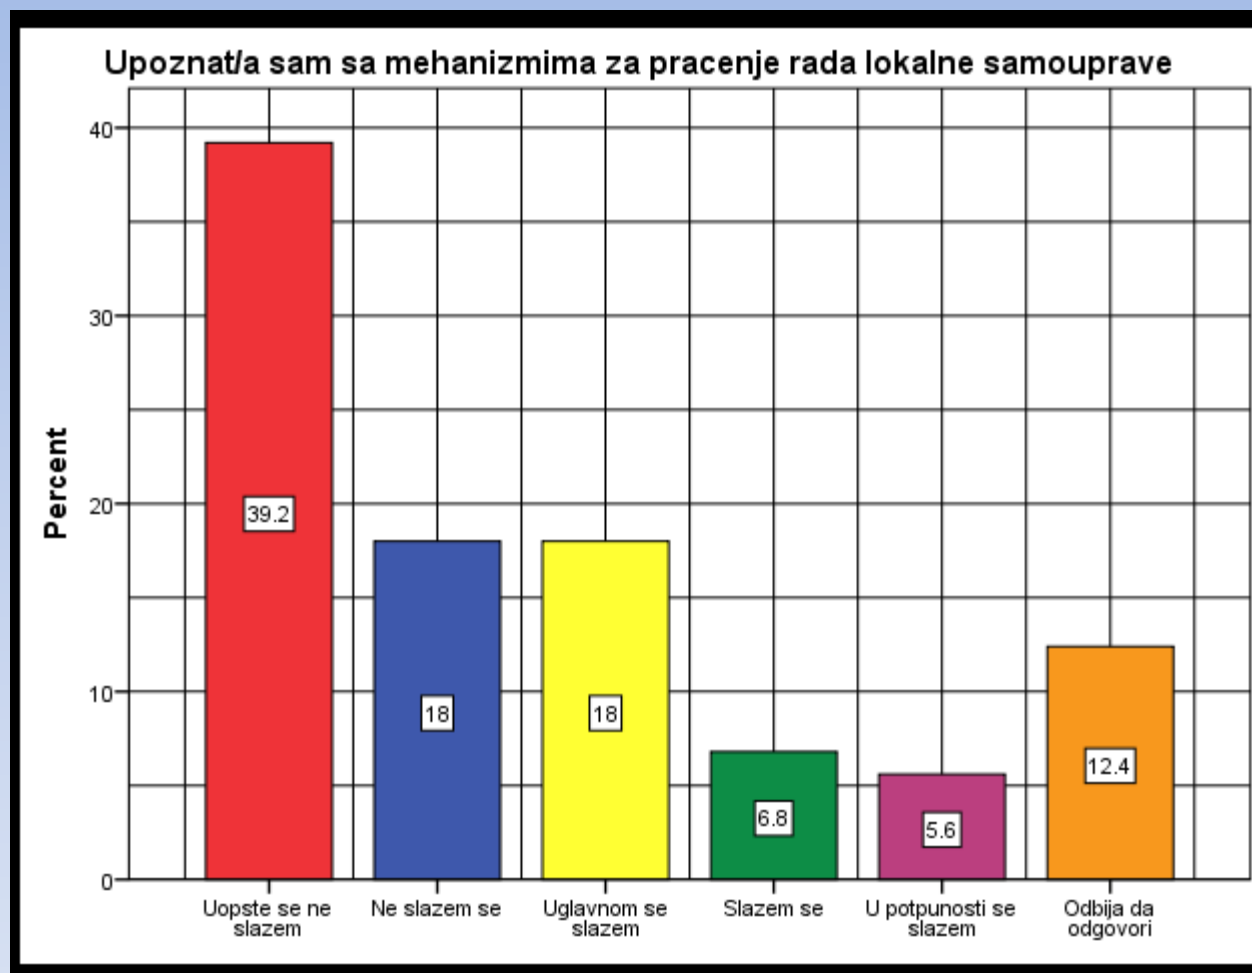

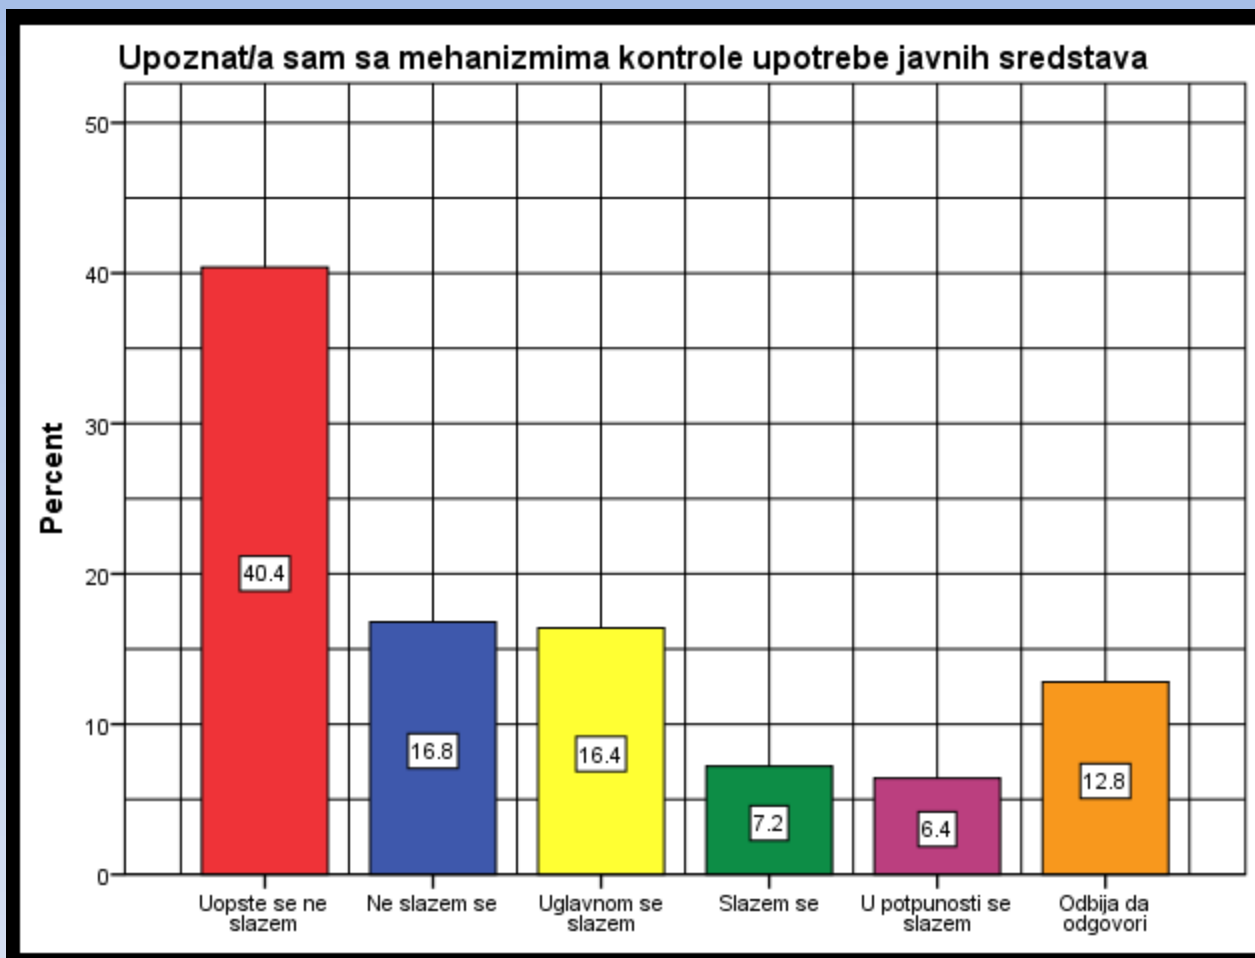

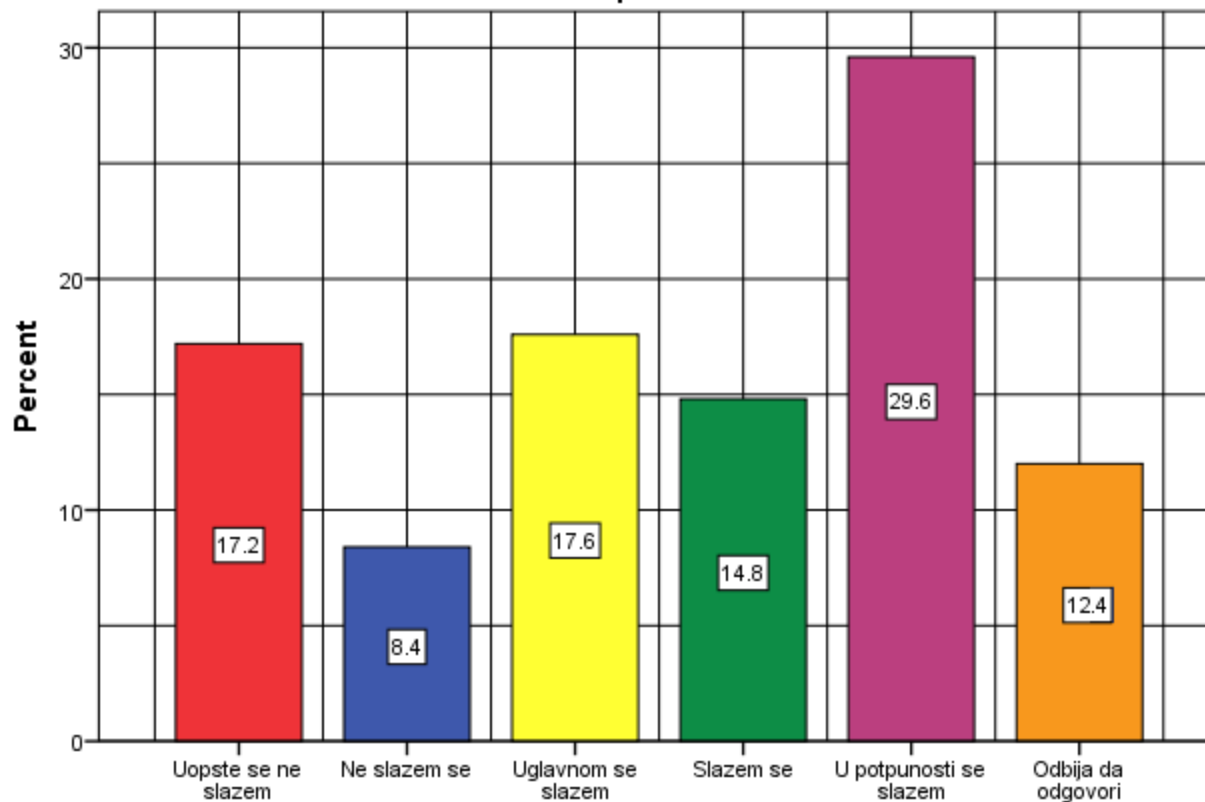

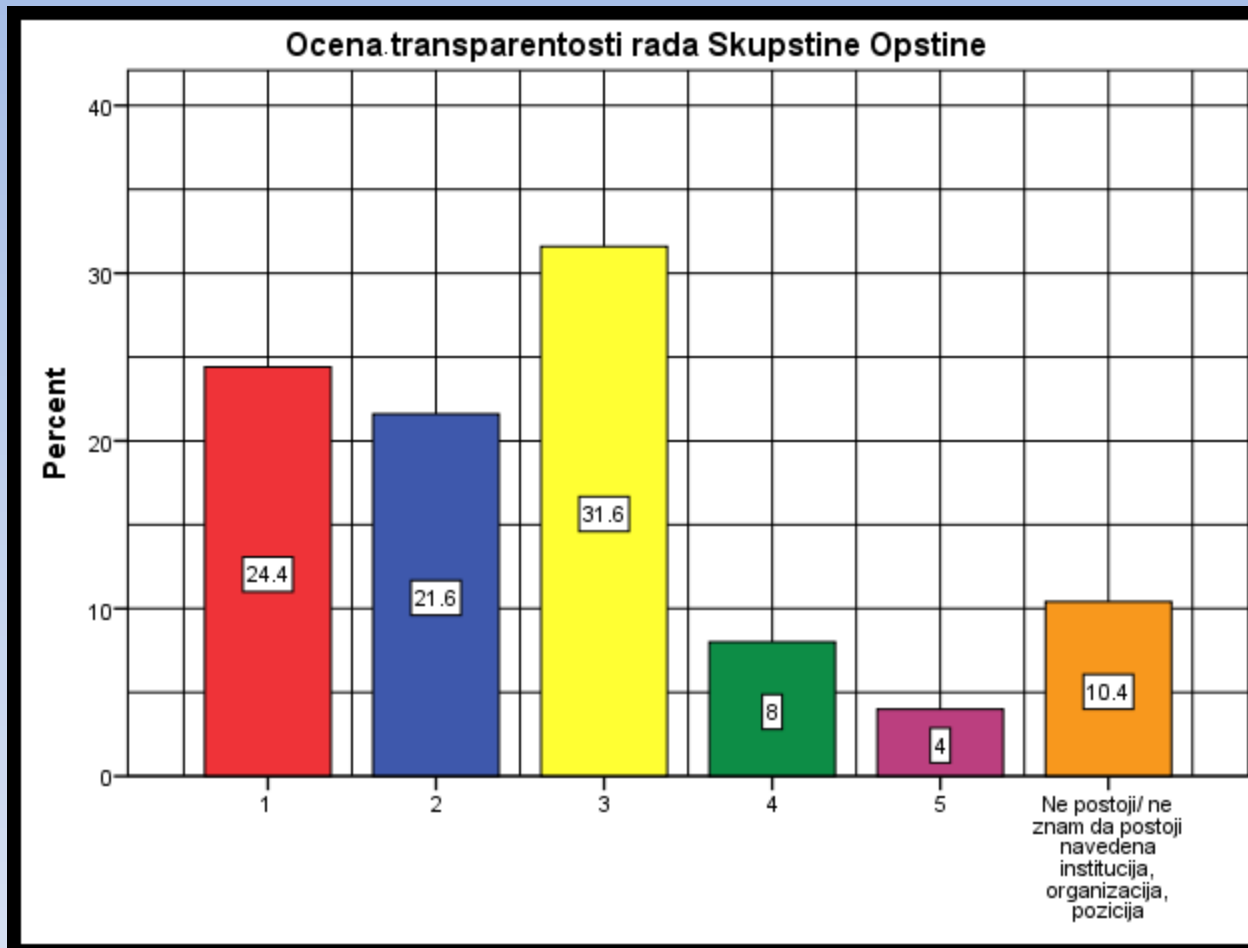

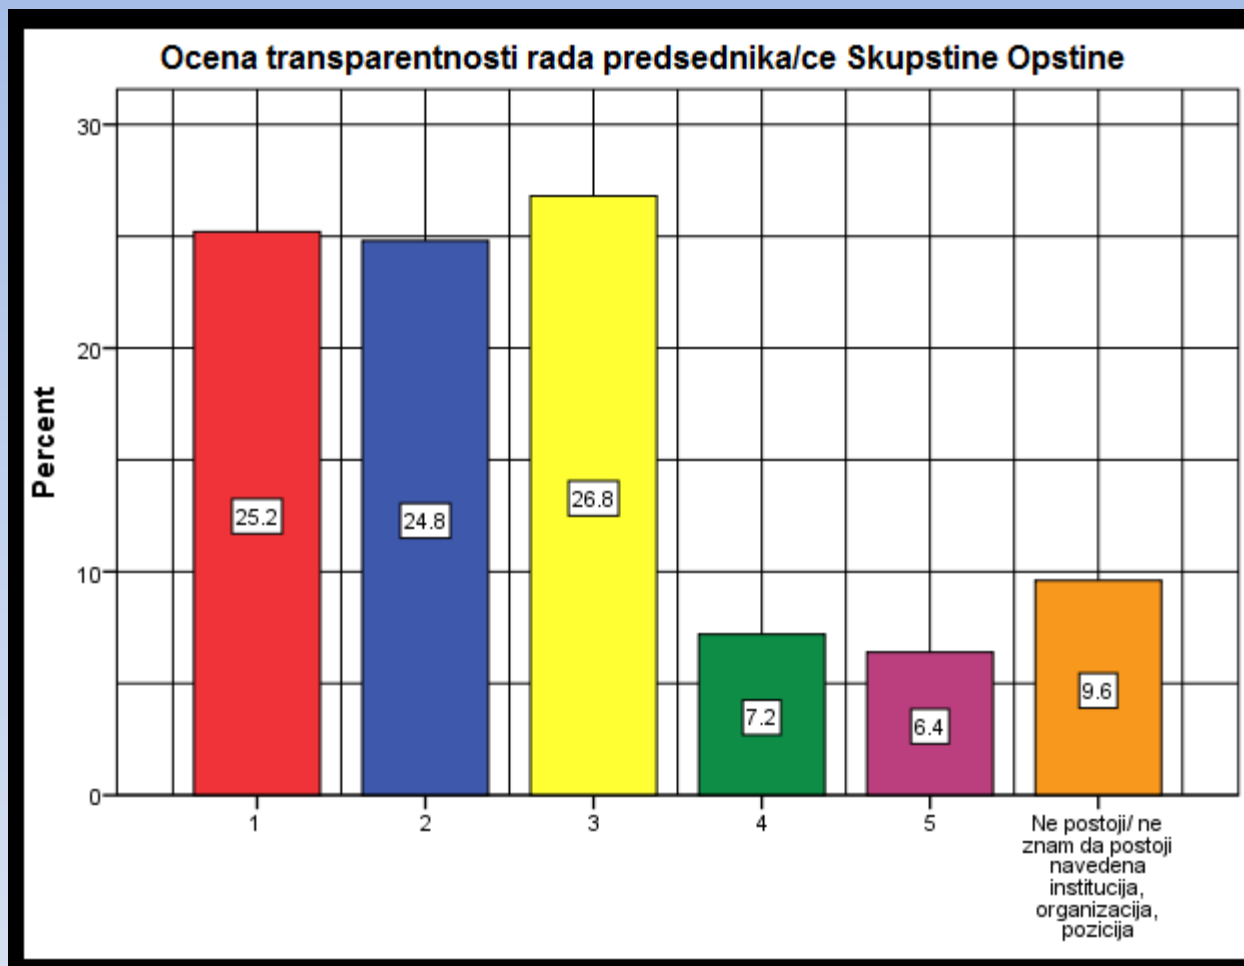

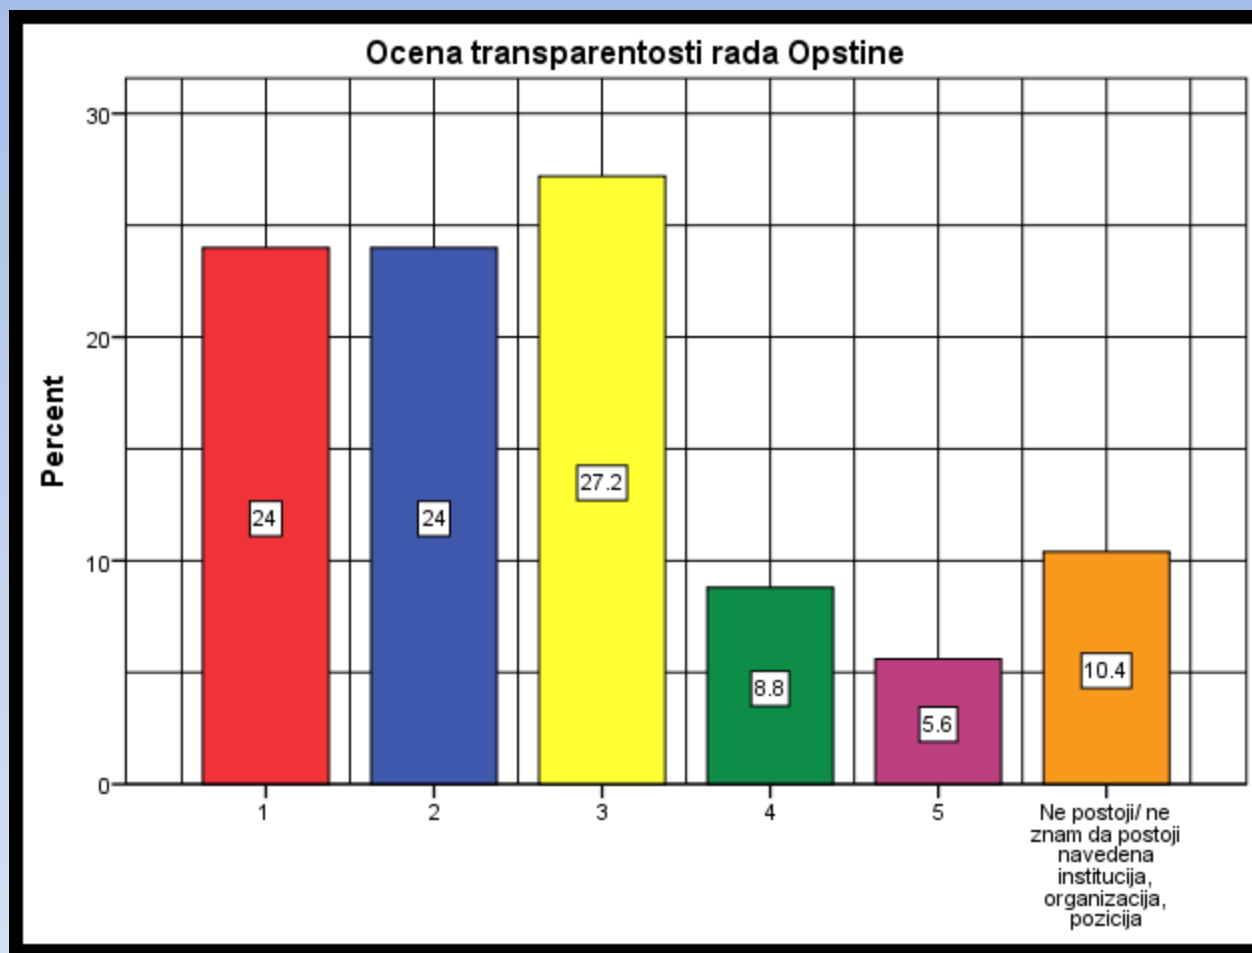

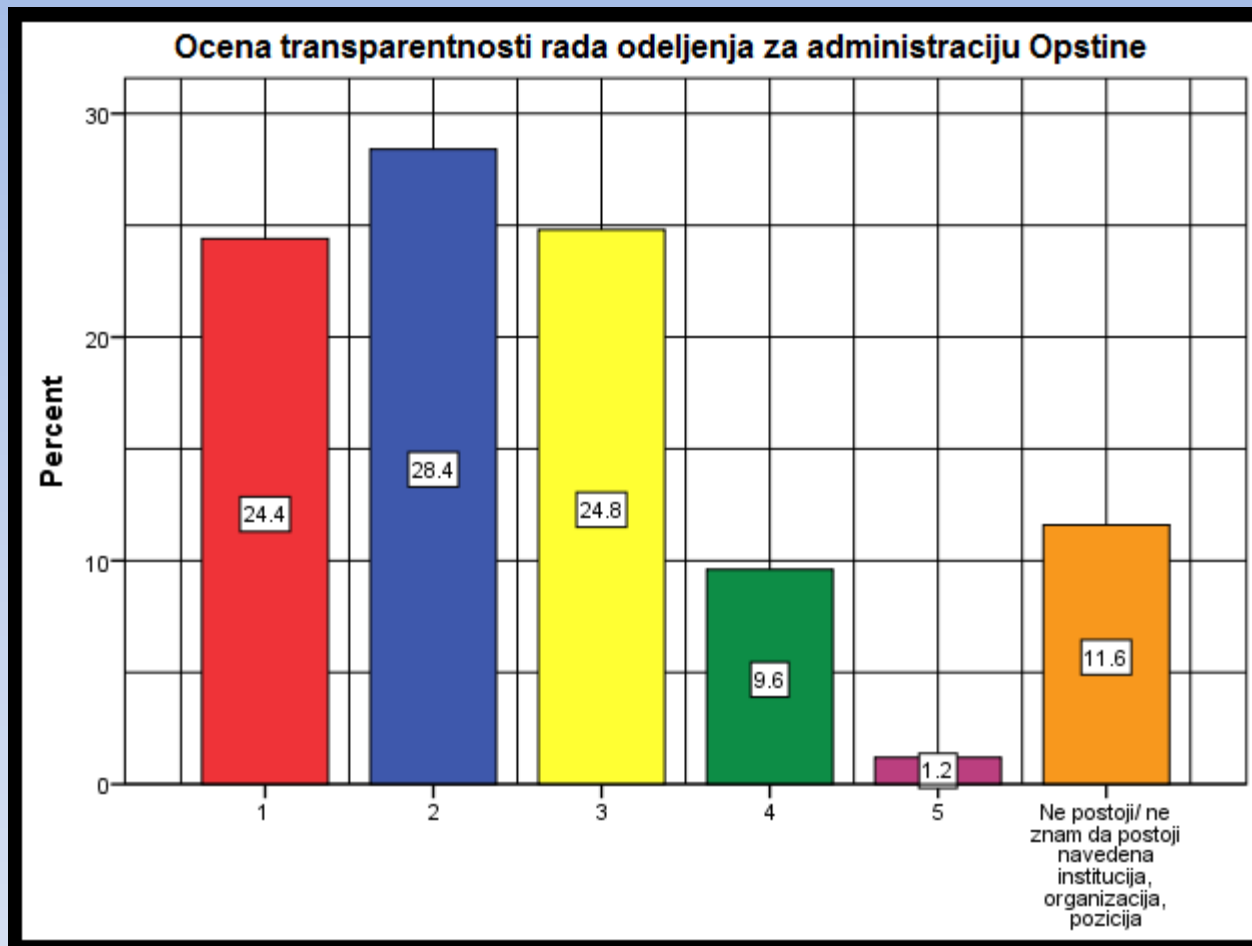

Zeleo/la bih da vise naucim o nacinima na koji se moze pratiti rad lokalne samouprave
